Soccer Ace Neymar Denied PokerStars Titans Event Victory

October 23, 2024 Matthew Pitt Senior Editor

Brazilian soccer sensation Neymar "neymar-jr" Jr. came agonizingly close to taking down the latest edition of theR\$5,200 Titans Event at PokerStars this weekend, ultimately having to make do with a runner-up finish. Although Neymar collectedR\$66,056 for his bridesmaid finish, he will be bitterly disappointed not to have come out on top and added the Titans Event title to his long list

of personal accomplishments.

Neymar fans will likely see more of their hero at the live and virtual felts in the coming months because he faces a spell on the sidelines. Last week, while representing his country in a World Cup qualifying game against Uruguay, Neymar landed awkwardly and left the field in tears on a stretcher. Tests later confirmed a meniscus tear injury to Neymar's knee and a season-ending Anterior Cruciate Ligament (ACL) tear. Neymar faces up to a year in the treatment room. Soccer's loss looks to be poker's gain. Neymar decided to fire up PokerStars on October 22 and flick in the R\$5,200 buy-in for the Titans Event. It was a drop in the ocean for the man who recently put pen to paper on a two-year deal worth a reported R\$219 million annually. But as Team PokerStars' Rafael Moraes revealed to PokerNews last year, Neymar does not play poker for the money; he just wants to win.

\$5,200 Titans Event Final Table Results

Rank	Player	Country	Prize
1	Dominykas "Mikensonas" Mikolaitis	Lithuania	R\$91,663
2	Neymar "neymar-jr" Jr.	Brazil	R\$66,056
3	drew.derzh	Ukraine	R\$47,602
4	Rajadanaativ	Brazil	R\$34,304
5	Christian "WATnlos" Rudolph	Austria	R\$24,720
6	Benjamin "bencb789" Rolle	Austria	R\$17,814
7	Stumpfed	Canada	R\$12,837

This weekend's Titan Event saw 59 entries processed, a lower than usual number, partly because many of the tournament's regulars were traveling home from the PokerStars European Poker Tour Cyprus festival. The compact field meant only the top seven finishers received some of the R\$295,000 prize pool.

"Jesper8" was the only player to reach the final table but not bank any prize money for their efforts. Canadian "Stumpfed" was the first casher, their seventh-place finish coming with a R\$12,837 payday.

The final table lost two Goliaths in succession. First, Benjamin "bencb789" Rolle bowed out in sixth for R\$17,814 before Christian "WATnlos" Rudolph ran out of luck; Rudolph's fifth-place finish earned him R\$24,720.

Fourth place and R\$34,304 went to Brazil's "Rajadanaativ" before "drew.derzh" joined the ever-growing list of casualties. Third place came with an impressive R\$47,602 haul for the Ukrainian. Dominykas Mikolaitis

Heads-up pitted Neymar against Lithuania's Dominykas "Mikensonas" Mikolaitis. Both players were now guaranteed at least R\$66,000 for their performances, but the all-important title and an additional R\$35,000 awaited the champion. Brazil has never faced Lithuania on the soccer field in a competitive setting, so the inaugural battle took place at the PokerStars tables. The crooked Neymar had to settle for second place this time around, which was worth R\$66,056, leaving Mikolaitis to bank R\$91,663 and a cool story about defeating a soccer icon.

Neymar The Poker-Loving Soccer Star

The Titans Event is not the first time Neymar has come close to becoming a poker champion. In January 2024, during the Winter Series, Neymar collected R\$23,884 for a third-place finish in a R\$1,050 turbo event. Another third-place finish, this time in the R\$10,300 High Roller, earned Neymar R\$125,678.

Later that year, Neymar made his World Series of Poker (WSOP) debut after buying into the R\$10,000 Limit Hold'em Championship. Neymar failed to cash, but he reached the money places less than a week later, with a 49th place finish in the R\$1,000 Super Turbo Bounty event. During the Super Turbo Bounty, as the money bubble burst, security staff almost ejected Neymar from the tournament area. Neymar was stood chatting to some friends, including Team PokerStars' Andre Akkari, when a member of the security team, unaware Neymar was one of the entrants. Thankfully, Neymar was not thrown out on his ear and went on to earn his first WSOP cash.

Try out the PokerNews Online Tournament Calendar and find your perfect PokerStars tournament. Apply filters to narrow down your search before hitting the tables and becoming a PokerStars champion.

What Next for Neymar?

Neymar has plenty of time of his hands while he recovers from surgery on his ACL and then

during his recuperation. It would not surprise anyone to see the soccer icon head to Sao Paulo this November for the Brazilian Series of Poker (BSOP) Millions festival. Neymar finished sixth in a High Roller event at the 2024 edition of the festival, earning his first recorded live cash. As Neymar is recovering in his native Brazil, it would make perfect sense for him to make the most of his time away from soccer and to hone his skills at the felt. Knowing Neymar's fondness for glitz and glam, perhaps the PokerStars NAPT Las Vegas series would be more up his street? Sharelines Neymar is a born winner, but he had to make do with a runner-up finish in the PokerStars Titans Event.

Toma un pueblo para dirigir una campaña presidencial, y en el caso de la candidatura de reelección de Donald Trump, ese pueblo está dirigido por un grupo de figuras sombrías, ricas y bien conectadas que trabajan para dar forma a la infraestructura de la elección y sus políticas y mensajes.

Conoce a los operadores electorales

Algunas de estas figuras, como Steve Bannon, son más conocidas por el público desde el primer mandato de Trump. Otros, como la Fundación Heritage's Hans von Spakovsky y Kevin Roberts, pueden no ser nombres familiares. Pero todos desempeñarán un papel masivo en promover el intento de Trump de recuperar la Casa Blanca y asegurarse de que esté listo para el día uno con una agenda política completa, nominados propuestos para su gabinete y los tribunales y los argumentos legales para respaldar sus planes más extremos.

En las próximas semanas, el Guardián profundizará en el perfil de algunos de los operadores electorales, analizando sus antecedentes, carreras y cómo llegaron a ser tan influyentes antes de

las elecciones presidenciales de 2024. Nuestros perfiles examinarán, por ejemplo, cómo Roberts, un expresidente de un colegio católico, dirigiría un think tank que produjo Proyecto 2025, un mapa alarmante de cómo Trump podría desmantelar el gobierno federal en su segundo mandato. Otro examinará cómo Cleta Mitchell encontró su camino desde un legislador progresista en Oklahoma que luchaba por la Enmienda de Igualdad de Derechos hasta un abogado conservador que asesoró a Trump en su intento de anular los resultados de las elecciones de 2024.

Consideraremos cómo Charlie Kirk, el fundador de Turning Point USA, llegó a tener tanta influencia sobre los jóvenes republicanos, y cómo el multimillonario de combustibles fósiles Tim Dunn, que ha utilizado su fortuna para dar forma a la política de Texas, ahora se dirige a la escena nacional.

Aunque su influencia va mucho más allá del dinero, los operadores han utilizado el suyo y el de sus benefactores para avanzar en una visión antidemocrática. Dunn, por ejemplo, ha ayudado a financiar la campaña de Trump de 2024, contribuyendo al menos con 5 millones de dólares a uno de los super PAC del expresidente.
