Okay, now that we've transported ourselves to the Pokéworld, let's address the burning question: what the heck is an alias in poker? Well, meu lindos, it's really simple: an alias is just a nickname that players can use instead of their real usernames when playing online poker. That's right, now you can play all those PKO tournaments you love without worrying about getting your arse kicked repeatedly by Somebody27, Gondolin, or Malicious56 - pompous names aside, of course, since pKaran. To sum it up, going incognito has never been easier!

But wait, there's more! you may ask. Absolutely, me dear Padawan, because there's a whole world of benefits hidden beneath those juicy little aliases. First and foremost, as hinted earlier, it's the privacy, stupid, "professionals" like Donkey or SirBluffALot may love to have their enemies recognise them at first sight, but most of us lesser mortals prefer a bit more privacy online- you feel us? With an alias, your identity is safely shielded until you feel you want to reveal yourself to your amigos.) Second, poms, seriously, let's be honest here- who doesn't love a pompously great nickname? Yeah, I said it. Third, prepare for greater freedom- not exactly poker-related, though; but imagine using "ChocolateSundae123" for your ice cream truck small business, people might get the wrong idea about your hobbies and interests. But you get the liberation gist, right?

Aliases vs nicknames in poker-what's the diff, bro? A rose by any other name... would still smell as sweet, right? Not exactly. Although on many platforms both terms seem interchangeable- each player still knows their unique username - alias is a luxur "display name" representing your chosen identity in that specific poker room, while a nickname is far less personal or far more, depending on your creativity - the unique name a plucker in question has assigned for themselves among other players

, even if their funky alias does the talkin'g. Telling tall tales will do little to further your poker career" but, let's be fair, whomst among us mortals here isn't telling porkies whenever possible I mean, c'mon guys, it's as ubiquitous among humans as small talk at social gatherings, so lighten up, OK? Getting past that minor details, common mistakes to avoid your fake poker name sounding too much like a proper noun- don't be that person guys 'that person', don't help you know I know your name now, Mary... nope, sorry mate. What we're trying to say is those particular to US online poker room, as these are usually card room specific.

There are, however some general Do's and DON'Ts of poker etiquette to avoid you rocking the boat - keep calm's n'stuff:

Carlos Mortensen 1 21 Daniel Negreanu 2 26 Andrew Lichtenberger 3 14 Dan Sepiol 4 6

Alejandro Tabilo derrota a Novak Djokovic en el Abierto de Italia

El tenista chileno Alejandro Tabilo necesitó solo 67 minutos para lograr lo que muchos otros jugadores han intentado sin éxito en múltiples ocasiones: derrotar a Novak Djokovic.

Tabilo, de 26 años, venció al número 1 del mundo y cabeza de serie número 1 por 6-2 6-3 en la tercera ronda del Abierto de Italia el domingo, en el que fue el primer encuentro entre los dos.

"Es increíble. Salí al campo y solo miraba a mi alrededor y absorbía todo, tratando de procesarlo todo. Estoy tratando de despertarme en este momento", dijo Tabilo, según la ATP.

Djokovic, seis veces campeón en Roma, fue quebrado en cuatro ocasiones por el número 32 del mundo y aún no ha ganado un título este año. Sus cinco dobles faltas resultaron particularmente costosas.

"Solo estaba tratando de mantener los nervios bajo control, tratando de seguir balanceándome", agregó Tabilo.

"Obviamente, cada vez que te sientes más cerca del final, tus brazos comienzan a apretarse un poco y comienzas a balancearte un poco menos, así que solo estaba tratando de no pensar en ello y tomarlo punto por punto. Es una sensación increíble, no puedo creer lo que acaba de suceder".

Después de perder el primer set, Djokovic entregó dos dobles faltas en el juego inaugural del segundo set, otorgando a su oponente una ventaja crucial.

Otra doble falta de Djokovic le dio a Tabilo su cuarta rotura del partido y aseguró una victoria increíble.
