Play the latest Pokemon Games Online now and learn how to become a good trainer in the race for Pikachu in these online games. There are few gaming franchises in the world as recognizable as Pokemon is because this is one of Japan's biggest exports when it comes to media, with the franchise having started a few decades ago with the release of a few video games, and then expanded upon its brand with manga series, a highly-popular anime television series which has had all sorts of new remakes and stories over the years, collectible cards, a viral mobile app in the form of Pokemon Go, a successful live-action movie called Detective Pikachu, and, of course, there are lots of Pokemon games online that you can play, with the best of them now being available only on friv games, right here and now!

The beginnings of Pocket Monsters

It might feel this game has been around forever since there are multiple generations of people that have had experiences with these franchises in one way or another, but it's not such an old series, with it starting off in 1996 with the release of a double video-game by Nintendo called Pokemon: Red and Blue, which was called Pocket Monsters in the original Japanese release.

In these games, you had the chance to become what is called a trainer, who ventures through various regions of this fictional world, where you battle animal-like creatures of different elements, and if you defeat them, they can be captured and stored into what are called Pokeballs.

Kanto is the name of the original area in this world that you could explore, and, as a trainer, you had to battle other trainers from the Indigo League, until you have defeated the eight Gym Leaders because that is when you have become a Champion. Each Gym Leader is the boss of a gym where they raise trainers as well as Pokemon, usually with each of them focusing on one kind of pocket monster.

The many adventures of Ash Ketchum and his friends In

the games you were the protagonist, you could choose the name you wanted to use, and then start your adventure, but this would not work for the anime series that was

inspired by the Pocket Monster Games and started off not too long after the first games, in 1997, which is why we were given a protagonist in the form of Ash Ketchum, a teenage boy who wants to become the best Pokemon trainer and wants to catch them all!

Ash is given a Pokemon called Pikachu to start off his adventures, given to him by Professor Oak, who is the grandfather of Ash's biggest rival, Gary Oak. Pikachu is hard to handle Pokemon and does not want to get into the ball, but he and Ash eventually form a bond and Pikachu becomes his main character, but it mostly never goes into the ball, but rather would rest on Ash's shoulder. Now having his first Pokemon, Ash can start his adventure to conquer the Indigo League.

In his first adventures, he befriends a former Gym Leader called Misty, and a breeder called Brock, with the trio then venturing through the regions to capture battle trainers, while also having to deal with the various plans put forth by Team Rocket, made up of the very funny characters of Jesse and James, joined by their talking-character called Meowth, who are always hatching up schemes to steal Pikachu from Ash.

The most popular Pokemon to know about!

In addition to Pikachu, who you already met, there are many other iconic characters that kids and adults alike love a bunch, such as Charizard, who is a fire dragon-like Pokemon who can fly and can spew fire from its mouth, Bulbasaur, who is a grass one who uses its seed and veins to attack, Squirtle, a water type that can shoot water and uses its shell for defense, and Charmander completes this trio of original choices, a fire-type that can be hard to handle, but very useful in battles.

Through training and the battles that they take part in, trainers can evolve their Pokemon to more powerful versions of themselves, gaining new and more powerful abilities, with Pikachu being famous for stopping his own evolution to keep going on adventures with Ash as himself.

The best Pokemon Games online for kids on our website

Of course, it comes without saying, that in most of the games with Pokemon online that you play on our website you will be able to have similar experiences as Ash and the other trainers, going around the different regions to capture Pokemon, use them in the battle against other trainers and Gym Leaders, and try to become the champion!

You can play Pokemon emulator Games online on our website too, where classic games like Emerald or FireRed can be played without needing to have a Nintendo console, or play Pokemon Go Games online where you go through the city to find new pocket monsters, virtually, since you can't really go outside right now.

For girls, we have dress-up games online, where they can dress up their favorite trainers from the show in new outfits, or have characters from other series be dressed up as trainers. You can also find other formats such as coloring games, where you paint these iconic characters and monsters or even solve puzzles featuring {img} taken from this series.

No matter what you will first play on this page, we are positive you will enjoy it greatly, so start right now to have fun with these games, like only here is possible!

### Turbulencias en el tenis femenino: la historia de desigualdad en el Abierto de Madrid

Al regresar a la capital española para el Abierto de Madrid este año, las jugadoras de tenis femenino pueden levantar una ceja en señal de escepticismo. Un vistazo a la historia del torneo revela una serie de deslices, acusaciones de desigualdad y una controversia por sexismo abierto el año pasado. No es exactamente un momento culminante del calendario.

Aunque sea un nuevo año, las memorias siguen siendo frescas. Una fuente cercana a la acción dice que el torneo, que es un evento WTA 1000 y ofrece uno de los títulos más prestigiosos del año, despierta miradas despectivas de un número de jugadoras de élite. "Cuando sucede algo, y siempre sucede, todo el mundo estará como: 'Clásico Madrid'," dijo una fuente.

#### Controversias pasadas y presentes

El año pasado, el torneo se vio envuelto en la polémica por emplear a chicas modelo como recogebalones, cuyos tops ceñidos fueron reemplazados por atuendos más holgados en las etapas finales del evento. Otra controversia fue la entrega de pasteles de cumpleaños: mientras que al tenista español Carlos Alcaraz, cabeza de serie del cuadro masculino, se le obsequió con un pastel de dos pisos, a la bielorrusa Aryna Sabalenka, número dos del mundo en la rama femenina, solo le dieron un pastel en un plato dentro del estadio. No cuesta adivinar quién recibió el pastel más grande.

La ex número uno Victoria Azarenka tuiteó su disgusto y sugerir que la diferencia de tratamiento entre los tours WTA y ATP en el torneo era un reflejo del trato desigual en general. Su compañera y ex campeona de Grand Slam, Bianca Andreescu, estuvo de acuerdo.

El director del torneo, Feliciano López, respondió a Azarenka con una {img}grafía de Holger Rune, del circuito ATP, recibiendo un pastel similar al de Sabalenka. Sin importar las intenciones, los pasteles y la disputa pública de alto perfil no dejaron a la organización en una posición positiva.

## Un problema más profundo

Más allá de las controversias específicas, muchas insiders perciben un problema más profundo de tratamiento a las jugadoras como ciudadanas de segunda clase. Esto se remonta a los días de Ion Tiriac, el ex dueño del Abierto de Madrid, quien por años admitió abiertamente que valoraba más a los hombres que a las mujeres. Desde que Tiriac vendió el torneo a IMG en 2024, el director gerente Gerard Tsobanian ha estado a cargo y ha habido numerosos ejemplos de desigualdad en ese tiempo, incluyendo el año pasado y en el primer año de IMG, cuando programó la final femenina entre los semifinales masculinos, causando demoras en el inicio y críticas de la eventual campeona, Ons Jabeur.

Aunque desalentador, estos incidentes no son una sorpresa para muchos dentro del deporte. Uno de los retos más importantes es el desequilibrio en los premios en efectivo y la programación de encuentros, lo que minimiza el valor de las participaciones femeninas. Aunque el Abierto de Madrid ha mejorado en algunos aspectos, todavía queda mucho trabajo por hacer.
