The wheel will spin and a ball will be thrown onto the wheel. When the ball stops, that number will become the winning bet. If you have won, all bets will be paid instantly. You will find 37 pockets to this European roulette wheel – a single zero and numbers 1 to 36. The betting table offers usual bets and is simple to navigate. To the top of the table you will find the racetrack of bets allowing for additional chances to win with Serie 5/8, Orphelins, Serie 0/2/3 and Voisins du Zero.

Our verdict

We love Roulette Advanced from NetEnt

because it allows you to play at your own pace and the additional betting options offered make things more interesting. The table limits are capped at 500.00 – which is quite small in comparison to other roulette games, but that takes nothing away from the design and ease of playing.
