Introduction

Before the start of the Texas hold'em poker

boom a couple of years ago, seven-card stud was one of the most popular poker variations in the United States.

The game can be played with two to eight players, and the biggest difference between seven-card stud and Texas hold'em or Omaha is that seven-card stud does not involved a flop, and in most cases, it doesn't involve community cards at all.

Here we go over the poker rules for Seven Card Stud.

How to

Play Poker for Beginners Check out the rules and basic strategy to all the popular poker formats [Click Here](#)

Game Play

As you can see in the image above, to begin each hand a player is dealt the first two cards face down and then a third facing up. This is often called third street. The two face-down cards are called the "hole cards" and the face-up card is called the "door card." Based on these three cards, one would decide whether or not to continue with the hand. Like in any poker variation, starting-hand selection is extremely important in seven-card stud.

Each player gets

dealt a total of seven cards, of which three are dealt face down and four are dealt face up. From these seven cards the player has to choose his best five-card combination. The hand rankings are identical to those in Texas hold'em or Omaha; a royal flush is the best possible hand and the worst hand is the high card hand (no pair).

Antes, bring-in and betting

While the blinds are the forced bets in Texas

hold'em and Omaha poker, antes are the forced bets placed by every player before receiving any cards. As an example, let's think of a R\$10/R\$20 seven-card stud game with an ante of R\$1 and a bring-in of R\$5.

Each player wanting to be dealt in to receive a hand would have to post the R\$1 ante, creating a pot worth competing for. The first three cards are then dealt to each player before it is determined that one player must post the bring-in. In seven-card stud, the player with the lowest-ranking door card would have to post the R\$5 bring-in at minimum, but this person does have the option to "complete" the bet by posting R\$10 (the small limit of the game). From there, the betting continues clockwise around the table, with each player having the option to call, raise or fold. In the case that the first player who brought in only posts the bring-in, other players may have the option of completing the bet to R\$10 as the first raise. Once the betting is complete, every player left in the hand is dealt a fourth card, referred to as fourth street.

In games that involve a button that dictates where the action starts, those differ from seven-card stud. In seven-card stud, the first player to act from fourth street on is the player displaying the highest-ranking hand.

Before proceeding past third street, though, it is important to have solid hand selection. An example of good starting hands in seven-card stud would include the following:

Seven-card stud is most often played as a limit game. Sticking with the same example of our R\$10/\$20 seven-card stud game, the limits of betting on third and fourth street would be the smaller limit, or R\$10 in this case. On fifth, sixth and seventh street, the limits increase to R\$20.

In the case that a player pairs his door card on fourth street, the opening player now has the option to bet double the small limit, or the larger limit. For example, if a player begins with an ace and picks up another ace on fourth street, that player may open with a bet of R\$20 instead of R\$10. This unique betting rule only takes place in the high version of seven-card stud, and not the split-pot version.

#### Conclusion

In seven-card stud, it is very important to pay close attention to the cards of your opponents. If you, for example, have a straight draw with KQJ10, but you already see three aces on the table, then you are only drawing to one ace and the remaining nines in the deck. If a player folded the case ace and you are unaware he or she did so, you could be incorrectly estimating your odds in the hand.

#### Must Have Rooms

Home to the biggest tournaments online, these rooms also have the largest player base, great bonuses, tons of action and the best software. If you don't have accounts here, you are missing out on the best that online poker has to offer.

## El brunch: una comida informal y satisfactoria en Londres

El brunch es una comida informal y satisfactoria que se disfruta en un día libre. Fadi Kattan, chef y co-fundador de akub en Londres y autor de "Bethlehem", describe el brunch como "una comida abundante cuando tienes un día sin prisas". Agrega que hay una falta de ceremonia y estrés al tener invitados en el brunch en comparación con la cena. "El brunch también puede ser una forma más económica de socializar", agrega Natasha Sayliss, fundadora de Mae + Harvey en el este de Londres. "¡Puedes salir de noche durante el día!"

### Los huevos son esenciales para el brunch

Los huevos son esenciales para el brunch, de acuerdo con Kattan y Benjamina Ebuehi de Feast. "Si no hay acción de huevo, algo falta", dice Ebuehi, quien mantiene las cosas ligeras sirviendo los suyos con pan de maíz. "Eso va bien y es rápido de juntar: harina de maíz, huevos, líquido de su elección [leche o suero de leche], sal, un poco de azúcar y mantequilla marrón para dar una dimensión extra." Come mientras está caliente, así que está "blando y esponjoso", y sírvelo con los huevos fritos, perhaps, y una gota de miel caliente. Sayliss, por otro lado, comienza su fin de semana con huevos turcos. "Mezcla yogur y ajo, luego extiéndelo en un plato y coloca los huevos fritos encima." La verdadera estrella, sin embargo, es la mantequilla de chile: "Fríe una carga de chiles picados, agrega mantequilla y, una vez que se haya derretido, agrega miel y flocos de chile." Rocíe eso, espolvoree con perejil, luego agregue tostadas.

### El brunch ofrece muchas posibilidades más allá de los huevos

"Hay mucho que se puede hacer con un buen vehículo panificado", observa Roberta Hall McCarron, chef y propietaria de Ardfern en Edimburgo. Si bien los crumpets y los muffins ingleses son opciones respetables, Hall McCarron se inclina hacia las tortitas de patata. Ralla la carne de las papas horneadas, la pasa por un colador ("así tienes puré seco"), mezcla con harina, levadura y agua, y la deja reposar durante una hora. "Amasa la masa, divide en porciones de 90 g y da forma a las rondas; será húmedo, así que necesitarás sémola en las manos." Póngalos en una sartén caliente y cocine de cada lado ("aproximadamente seis minutos en total"), luego dirija su atención a los acompañamientos. "En verano, agregue tomates marinados en vinagre balsámico blanco, aceite de oliva y sal durante 30 minutos."

### Brunch no tiene que ser una sola comida

"Puedes tener cursos", dice Ebuehi, algo que Kattan respalda enérgicamente. Encabezando su lista de verificación para el brunch perfecto está *ka'ek al-quds*, el "pan ovalado de Jerusalén con semillas de sésamo – está increíble tibio". Agregue "hummus decadente" (AKA toreado con piñones tostados, aceite de chile y garbanzos enteros), huevos horneados en salsa de tomate

salpicada con semillas de comino y eneldo, labneh con za'atar fresco y "un poco de aceite de oliva palestino de calidad", además de falafel recién hechos para mayor abundancia.
