There is a bad blood between Vitali Klitschko, ex-champion heavyweight and current mayor of Kyiv, and the heroic Ukrainian president Volodymyr Zelenskiy, it is not exactly a secret, but there are fascinating details in this film by Kevin Macdonald that show how both men - a man we would like to think are united in the struggle to repel the Russian invasion - seem to discredit each other. I say "seem", of course, because this cannot be anything more than a partial view; with the camera and the editing by Macdonald firmly focused on the betnacional dupla hipótese Klitschko, and no answer given from the camp of Zelenskiy.

The images that Macdonald manages to get are impressive, especially of Klitschko's betnacional dupla hipótese meetings with American politicians (including the state secretary Anthony Blinken) during which he attacks, in a somewhat veiled way, the government of Zelenskiy as if it were becoming an autocracy. In other sequences, Klitschko alleges that Zelenskiy is victimizing powerful mayors and operating in a dirty and sovietic way, that the Ukrainian democracy is in betnacional dupla hipótese danger and that, without "reform", the money from the aid will disappear. In fact, he accuses Zelenskiy of wanting to transform Ukraine into betnacional dupla hipótese "Russia 2.0". True or not, it is a worrying evidence of a crack in the core of the Ukrainian establishment, although perhaps not immediately obvious as it will lead to a persecution of the war or what will come after the hostilities have ended.

#### Complexidade adicional

This material adds layers of complexity to what, initially, seems to be a home run of a documentary. Klitschko, along with his brother Vladimir, dominated the heavyweight division in the 00s and brought the same combative spirit to a political career post-fight, which resulted in betnacional dupla hipótese victory in the 2014 betnacional dupla hipótese elections. (The film suggests that the root of the conflict between Klitschko and Zelenskiy dates from the last sarcastic betnacional dupla hipótese of his TV programs before launching his own betnacional dupla hipótese presidential campaign.) Like any politician, Klitschko is a hard shell, presenting a determined and hardworking face to the world: he goes to the media, meets politicians, tries to console the disheartened, handing out posthumous medals to fallen soldiers. He is also the target of criticism; accused of wasting betnacional dupla hipótese money on construction projects that only serve to reinforce the defenses of Kyiv and - crucially, perhaps, for betnacional dupla hipótese relevance to his conflict with Zelenskiy - failing to betnacional dupla hipótese maintain a shelter against bombs when it was necessary. (We see Klitschko looking visibly grey as he is surrounded by one of the survivors of the attack.)

#### Um personagem mais conflituoso

As the film by Macdonald progresses, Klitschko emerges as a more conflictual and perhaps compromised character, especially after his betnacional dupla hipótese exposure and his children intervene, explaining the betnacional dupla hipótese change apparently conscious for the political persona. (He is certainly very different from the naive and almost clumsy figure who knocked out all these fighters in these days.) Klitschko and his brother also reflect on the legacy of their father, a military officer in the Soviet regime whose loyalty was rewarded with leukemia, probably caused by betnacional dupla hipótese dedication to help deal with the nuclear accident at Chernobyl.

Like the Ukrainian war, this is a story that has not yet ended, even though the fight

de poder de Klitschko com Zelenskiy provavelmente permanecerá como um breve nota betnacional dupla hipótese a luta mais ampla. Doggedly pisando por centros de conferências, bunkers militares e corredores de hotéis, Klitschko tenta representar uma força implacável e, nas habilidosas mãos de Macdonald, certamente o consegue - betnacional dupla hipótese um documento inestimável para historiadores futuros do conflito.
