Blackjack Side Bets Explained in Plain English

October 09, 2024 Simon Beasor Eliot

Thomas Casino Content Executive

With simple rules and easy-to-learn strategies, the

game of blackjack is one of the most popular card games in both Las Vegas Casinos and online casinos around the world.

Blackjack side bets, a popular additional dimension in

the rules of blackjack, can add a layer of complexity and risk to any blackjack game.

In this article, we'll take a look at the different side bet options, the

benefits of playing blackjack side bets, how they are structured, and what side bets pay.

What are Blackjack Side Bets?

Blackjack side bets are additional bets placed

during a standard game of Blackjack. They involve predicting which cards the player, and sometimes the dealer will receive.

Wagers are made before any cards are dealt and

each side bet is based on chance rather than skill, although you can count cards to help you choose the most likely combinations for your best side bets.

The most common

side bets are Insurance, Perfect Pairs, and 21+3, but there are other side bets to consider too. Read on to find out everything you need to know.

Why Play Blackjack

Side Bets?

One of the most attractive features of the game of Blackjack is the low house edge compared to other games on the casino floor.

Good players will face a house

edge of around 0.5%, and even if you play quite badly, that edge low house edge only rises to around 2%. This means the RTP (return-to-player) rate of Blackjack is excellent compared with other games.

However, while the odds of losing big are low, the odds of winning can also be poor.

Blackjack is mostly an even money game, rising to 2:1 at best if you are dealt a Blackjack.

Side bets offer you the chance to play much

longer odds for higher player wins – as much as 5,000:1 in the case of some side bets!

However, it must be noted that the house edge rises significantly for Blackjack side bets, with most bets carrying a house edge of 10% or more.

In other words, side

bets make it a lot easier to win big on blackjack but also to lose more money.

The Most

Common Blackjack Side Bets

There are a number of common side bets that you will find at most Blackjack tables.

These are clearly marked with the odds either printed on the Blackjack tables or available as a handout or a side menu in the online casino version.

Remember to always check the pay outs carefully before placing your bets, as they can vary considerably between different casinos or online sites.

The three main

Blackjack side bets are:

Insurance Perfect Pairs 21+3

Insurance Blackjack Side Bet

What

is Insurance in Blackjack? Insurance is the most common Blackjack side bet and allows you to cover yourself against Blackjack if the dealer has an ace face up.

This bet

involves half of your original stake and pays out at 2:1 if the dealer has Blackjack.

The insurance bet reduces the overall house edge.

Perfect Pairs Blackjack Side Bet

What

is Perfect Pairs in Blackjack? The Perfect Pairs side bet uses the player's cards only and pays out if you are dealt two of a kind as follows:

Mixed pair (two of the same value but different suits and colors) – pays 5:1

Colored pair (two of the same value and the same color) – pays 12:1

Perfect pair (two of the same card) – pays 25:1

The

returns can vary between different Casinos and different pay tables, and the house edge will depend on both the payout and the number of decks used and can range from just 2 or 3% up to 11% or more.

21+3 Blackjack Side Bet

What is 21+3 in Blackjack? The 21+3

side bet involves the player's two cards and the upturned card of the dealer. It will pay out for a number of different combinations:

Flush – (all cards are suited) – pays 5:1

Straight – (all cards consecutive) – pays 10:1

Three of a kind – (not the same suit) – pays 30:1

Straight flush – (consecutive cards same suit) – pays 40:1

Suited

triple – (three of the same card) – pays 100:1

The house edge for the 21+3 side bet

will vary depending on the number of decks used, standing at 8.78% for four decks, 7.81% for five decks, 7.14% for six decks, and 6.29% for seven decks.

Other Blackjack

Side Bets to Look Out For

The Casino industry is highly competitive, and so new side

bets are being invented all the time to try and attract & retain new Blackjack players.

Some of these will flourish and become widely available, while others remain niche and can only be found in selected Casinos. Here are a few examples:

Royal Match

Side Bet

Pays 5:2 for any suited player's cards and 25:1 for suited king and queen

Over/under 13 Side Bet

Pays even money for correctly predicting the sum of the player's cards as less than or greater than 13. In most cases, exactly 13 will lose, but some Casinos will allow bets on exactly 13.

Super Sevens Side Bet

This bet pays out

if one or more sevens are dealt in the player's cards. One seven pays 3:1, two unsuited sevens pay 50:1, and two suited sevens pay 100:1. If the third card dealt is also a seven, the bet will pay 500:1 unsuited and 5000:1 suited. However, it is important to ensure that the Casino will still deal a third card if the dealer has a Blackjack, as some Casinos will not do this.

Lucky Ladies Side Bet

This bet pays out if the player's

cards add up to 20, with an unsuited 20 paying 4:1, a suited 20 paying 10:1, a matched 20, same rank and suit pays 25:1, two queens of hearts 200:1 and two queens of hearts when the dealer has Blackjack 1000:1.

Are Blackjack Side Bets Worth Playing?

Blackjack

side bets do not involve any skill, and you are simply betting on the luck of the draw.

Moreover, the returns do not reflect the odds of each bet coming in, which gives the house a significantly larger edge.

Therefore, blackjack side bets are best viewed

as a bit of extra complexity that adds to a session at the Blackjack table.

However,

you should not make them the main focus of your gameplay or your wagering, and you should be aware of the significantly increased house edge.

Blackjack Side Bets

FAQs

What are blackjack side bets? Blackjack side bets are optional bets that you can place in addition to your main blackjack bet. They are based on specific outcomes or combinations of cards that may occur during the blackjack game. How do I place a side bet in blackjack? To place a side bet, just place chips in the designated area on the blackjack table, separate from your main bet. The availability of side bets may vary

depending on the casino and the specific blackjack variant being played. What are some common blackjack side bets? Popular blackjack side bets include Perfect Pairs, 21+3 and Insurance, all of which are explained in detail on this page. What is insurance in blackjack? Insurance is the most common Blackjack side bet and allows you to cover yourself against Blackjack if the dealer has an ace face up. This bet involves half of your original stake and pays out at 2:1 if the dealer has Blackjack. The insurance bet reduces the overall house edge. Are side bets in blackjack worth it? Side bets can be entertaining and potentially offer higher payouts than the main blackjack game. However, they also have a higher house edge, which means they are riskier in the long run. What is the house edge for blackjack side bets? The house edge for blackjack side bets depends on the specific bet and the blackjack variant being played. Some side bets can have a significantly higher house edge compared to the main blackjack game, so it's important that you review the rules and payouts for each side bet to understand the associated house edge. Can you win both the main blackjack bet and a side bet in the same hand? Yes, you can win both your main blackjack bet and a side bet in the same hand, as the two things are independent wagers. Are there any strategies for playing blackjack side bets? Side bets are primarily based on luck, and there are no foolproof strategies to guarantee a win. Players should be cautious and not overcommit to side bets, as they can lead to substantial losses. Should I use a specific betting strategy when playing side bets? Betting strategies that are effective for the main blackjack game may not necessarily apply to side bets. If you choose to play side bets, do so for fun and entertainment, and set limits to manage your bankroll responsibly.

Fotógrafo Sayed Asif Mahmud e a História Amarga e Doce do Iêmen

Quando comecei como fotógrafo black jack online 777 meu país natal, o Bangladesh, minha

ênfase estava na documentação social. Mais tarde, desenvolvi projetos pessoais e viajei mais amplamente, mas black jack online 777 2013 e 2014, a situação política no Bangladesh se tornou instável, com ataques a manifestantes, pessoas seculares e ativistas LGBT. Imagens de atrocidades foram amplamente compartilhadas nas redes sociais e eu desenvolvi um relacionamento amor-ódio com o meu próprio trabalho. Não sabia como comunicar a horror dos desastres, tanto humanos quanto naturais, sem que se tornasse normalizado. Foi um tempo muito sombrio para mim.

Destepei e, no início de 2024, ingressei no Programa Mundial de Alimentos (PMA) das Nações Unidas no Bangladesh como oficial de comunicações. Três anos depois, me mudei para o Iêmen do PMA, e essa é uma das muitas {img}s que tirei lá, {img}grafando ao lado do meu trabalho de comunicação. Consegui viajar para cinco províncias - mais lugares do que muitos de meus colegas iemenitas terão sido capazes de visitar nos dez anos desde o início da guerra civil. Mesmo assim, não pude ir para o norte e as viagens envolviam veículos blindados e escoltas armadas.

O objetivo de minhas {img}s era transcender a percepção do Iêmen como um país black jack online 777 conflito, assolado pela pobreza e o sofrimento, e se concentrar black jack online 777 vez disso black jack online 777 alimentos, para destacar as pessoas iemenitas e black jack online 777 cultura. Consegui experimentar e {img}grafar muitos pratos iemenitas - peixe grelhado, carnes e pães achatados cozidos sobre pedras quentes, café e mel de sidr.

{img}grafando a Cultura Iemenita

O embaixador iemenita veio até mim com lágrimas nos olhos, segurou minha mão e disse: "Ninguém mostrou meu país assim".

Aqui vemos o "Tio Adib", que nos hospedou na ilha de Socotra, parte de um arquipélago a mais de 300 km da costa. Não experimentamos os mesmos problemas de segurança que enfrentamos black jack online 777 outros lugares e as coisas se sentiram muito mais descontraídas. O Tio Adib estava ansioso para nos mostrar black jack online 777 nursery de árvores de sangue do dragão. Eu tirei muitas {img}s dessas árvores estranhas, black jack online 777 forma de guarda-chuva, que são nativas do arquipélago.

Socotra também está coberta de cabras. Foi dito a mim que há quatro ou cinco deles para cada humano. Pilhas de peles de cabra são um espetáculo comum, pois são usadas para preservar todo tipo de alimentos, incluindo leite, azeitonas e manteiga. Há poucos voos para Socotra e, por mais da metade do ano, a ilha está praticamente isolada, parcialmente devido aos ventos muito fortes que criam dunas de areia montanhosas. Esses também tornam a pesca impossível. Portanto, as pessoas de Socotra aprenderam a fazer o melhor com o que está disponível e preservar o que podem.

Preservando a Cultura

A maioria de minhas {img}s estava black jack online 777 preto e branco, mas essa exigia cor. O Tio Adib está abrindo um couro de cabra que contém paste de tâmara a um ano e meio. Foi um momento selvagem - nós não tínhamos ideia de que as tâmaras poderiam ser preservadas assim. Você pode ver outros couros empilhados atrás. Ele nos mostrou um com paste de tâmara de três anos, que ele usava para fazer suco de tâmara. Tenho que admitir, não gosto de tâmaras, mas as pessoas com quem estava tentaram e fizeram caretas politicamente corretas. Olho para o meu tempo no Iêmen com um coração pesado, porque sei que a população enfrenta muitas lutas. Mas estou feliz por ter conhecido tantas pessoas diferentes, como o soldado que atuou como meu escolta black jack online 777 Seiyun e que {img}grafei enquanto ele cantava para nós; e Sahala black jack online 777 Mukalla, a quem tirei um retrato depois de passarmos uma hora falando sobre a educação de suas filhas e seus sonhos para elas.

CV do Fotógrafo Sayed Asif Mahmud

Fotógrafo Sayed Asif Mahmud.

Nascido: 1986 Rangpur, Bangladesh.

Formado: Instituto de Mídia do Sul Asiático Pathshala.

Influências: Antoine d'Agata, Denis Dailleux, Nan Goldin e muitos outros.

Pontos baixos: "De 2013 a 14, houve muitas mudanças políticas black jack online 777 meu país de origem que me afetaram pessoalmente e como artista. Minha ênfase deslocou-se para a violência e as atrocidades. Também estava tentando descobrir uma expressão artística eficaz para transmitir minhas ideias. Quase desisti e me desconectei do meu trabalho."

Dica: Durante o meu tempo como professor de {img}grafia documental, sempre estressei a importância da reflexão sobre si mesmo aos meus alunos. Encorajei-os a questionar suas motivações e o propósito por trás de suas {img}grafias. Essa é uma jornada que não tem uma resposta simples e requer honestidade e perseverança.

Bittersweet: A Story of Food and Yemen de Sayed Asif Mahmud, Marta Colburn e Jessica Olney está disponível agora pela Medina Publishing. Uma turnê alimentar guiada por restaurantes iemenitas faz parte do Festival de Artes Árabes de Liverpool, Centro de Artes Árabes de Liverpool, 20 de julho .
