The player previously rejected Chelsea to play for his dream club - but his stats there don't make for pretty reading

FEELING BLUE Chelsea fans say 'hell nah, we good' as they and Newcastle are linked with £55million former target

CHELSEA are ready to re-enter

the race to sign Barcelona star Raphinha, according to reports.

The Blues tried to buy

him in 2024 before he agreed to join the Catalan giants in a £55million move from Leeds.

Raphinha previously revealed that he rejected Chelsea because it was his dream to play for Barca.

But into just his second season with the club, the Brazilian could already be put up for sale.

Raphinha got ten goals and ten assists in 50 games last

season but has since lost his place in the starting XI following injuries, suspension and underwhelming performances this term.

And reports state that Barcelona could look

to cash-in on him if his form does not soon improve.

Chelsea and Newcastle are both

open to signing Raphinha should he become available.

The 26-year-old caught the eye of

several top clubs during his two seasons in the Premier League with Leeds.

But Chelsea

fans are not thrilled by the speculation linking them with his signature.

Raphinha

often plays on the right-wing and Cole Palmer has already excelled in the position.
