London, 5 June 2024 – Playtech, the world’s leading gambling technology company, has partnered with Stoiximan/Betano, the leading Greek operator 2 and one of the fastest growing in Europe, to launch an exclusive new scalable Live Blackjack variant, Cashback Blackjack Live. Previously 2 available as an RNG game, the new scalable Live Cashback Blackjack variant is an eight-deck game open to an unlimited 2 number of players. In this game, players can choose to “cash out” during any action round instead of taking an 2 action, placing a dynamically determined cashback amount depending on the round. Continuing the All bets Blackjack line, Six different side 2 bet options are available to players and add to the excitement. This unique scalable Blackjack variant is the recent addition 2 to the growing portfolio of scalable Blackjack games available from Playtech live and marks the fifth variant after Unlimited Blackjack, 2 Quantum Blackjack, All bets Blackjack and the recent Majority Rules Speed Blackjack.

Stoiximan/Betano chose to work directly with Playtech to produce 2 the industry-first live dealer version of Cashback Blackjack, adding a new collaborative dimension to an already successful relationship.

About the game

Players 2 begin by placing their main bet, plus any additional side bets.

Six different side bets are on offer: 21+3, Buster Blackjack, 2 Dealer Pair, Lucky Lucky, Player Pair and Top 3. Buster Blackjack (dealer’s hand) has the biggest win potential – a 2 result of 8+ cards and player’s Blackjack pays out at 2000:1.

In the action rounds, players have five choices – Cashback, 2 Hit, Stand, Double or Split. If a player chooses to Split during an action round, Cashback is offered for both 2 hands. If a player chooses to Double, Cashback is not offered. The Cashback amount is calculated based on the cards 2 on the table and may change for each action round. Cashback only applies to the main bet, with side bets 2 resolved and paid out separately.

Edo Haitin, CEO, Playtech Live, comments: “The development of Cashback Blackjack Live has been a truly 2 collaborative effort, and takes our partnership with Stoiximan/Betano to a new level. Stoiximan/Betano is already one of the leading operators 2 in the Greek market, and we’re committed to working closely with them to not only build on this position, but 2 also extend that success into further territories.

“Thanks to a fantastic initiative from our friends at Stoiximan/Betano group and a great 2 effort from the development teams on both sides, we’ve been able to deliver a dynamic new experience

for players in 2 record time, which emphasizes our strategy of equipping our partners with scalable dedicated solutions while still providing players with a 2 fun and personal game experience. The Cashback concept is of course well-established in Sports betting, so we're very interested to 2 see how players will respond to it in a Live Casino setting, where there's interaction with a dealer and other 2 players. We're confident players will find Cashback Blackjack Live a highly engaging experience".

Christos Mavridis, Live Casino Manager at Stoiximan/Betano adds: 2 "Product innovation, wide game offer and an optimum customer experience have always been among our priorities at Stoiximan/Betano. We've already 2 seen a fantastic response to Cashback Blackjack as an RNG game, so are very much looking forward to delivering a 2 new experience for our players with the first Live version. Having worked closely with Playtech for some time now, we 2 were well aware of their track record in producing innovative new content and game variants. As such we felt they 2 were the ideal partner for the development of Cashback Blackjack Live, and we're sure our players will be just as 2 impressed with the finished product as we are".
