Good for fun but not if you actually want to receive your winnings

All seemed well at first. Deposited £25 was given £50 bonus.

Was quite lucky and after meeting wagering requirements I was £230 in my withdrawal-able cash balance so I decided to withdraw. This is we're it all went wrong.....

Like all casinos you had to provide documents to verify your identity....fair enough. I followed the instructions and uploaded these to the system and all was accepted. I uploaded driving licence, bank card and proof of address. I was then allowed to withdraw.

I then received an email asking for further documents. I had to sign a deposit confirmation form (which I did find strange abs was a bit dubious but still went ahead). It was all very inconvenient, I had to print it off and sign it then take a pic to email.

I then had to take more pics of my bank card and send that AGAIN and also had to print off a copy of a bank statement to scan over as they won't accept screenshots of my online statements. However inconvenient I did all this anyway and was then told my documents had been verified and my withdrawal request had been accepted.

I then received a call from the 'accounts team' to say my withdrawal was being cancelled as I had played 1 spin over the amount allowed. I checked back in my history and seen 1 spin at £50 when all other spins were at 50p. This was clearly an error and on checking into the game I found the max bet button was so close to the spin button when playing on a phone so I understood how this could have happened.

Not to worry I thought, they can see that it was a genuine error and all other spins around this were for 50p not £50 and that on that £50 spin I only won £25 so I was actually put money from the spin anyway.

This has happened to me once before with a reputable UK licenced casino and they used discretion and common sense on paying out. There was no such thing as a set in stone rule. It was at the casinos discretion to investigate and decide if someone has abused the bonus.

I had clearly not abused this bonus. I had played fairly throughout the space of a week. It took ages to meet the wager as I was playing 50p spins and in the end they said it's a set in stone rule. Even though the £50 spin actually cost me £25 of my bonus they would not use discretion.

Clearly this is one of those casinos who may pay out here and there however they will look at

every single loophole and make it difficult for you to cash out, most probably to put you off withdrawing.

After I uploaded the documents on site it then took another 3 working days of emails etc to actually be allowed to withdraw. If I was a chronic gambler, in this time I could have played my winnings and lost them.

All in all not a good experience at all. And also on looking on their site to try and find where they are licensed I couldn't find this information. Wish I had looked into this more before depositing. Would I recommend this casino.....if it's just for fun but if you actually want to receive your winnings then not at all.

I give credit where it's due and have tried many different casinos and this experience is in my bottom 5 casinos

Date of experience : 13 November 2024

Modern Warfare 2: Ghost is a six-part comic book mini-series. The series ties-in with the 2009 video game Call of Duty: Modern Warfare 2, focusing on the character Simon "Ghost" Riley.[1] The first issue of the series debuted on November 11, 2009, and the second issue followed in December of that year.[2]

Publication history [ edit ]

Modern Warfare 2: Ghost was announced by Community Manager Robert Bowling via Twitter on August 17, 2009. The comic was published by Storm Productions and written by David Lapham, with art by Kevin West and Federico Dalocchio, who drew the covers of each issue.[1]

Plot [ edit ]

Modern Warfare 2: Ghost relates to the history of SAS (Special air service) Simon "Ghost" Riley, an important character in Call of Duty: Modern Warfare 2. The comic series is set before Ghost became a member of Task Force 141, with events from both before and leading into the game, focusing on the origins of the character, his skull-like mask, and why he calls himself Ghost.[3]

### **Nathy Peluso: una artista argentina que promete conquistar el mundo**

En el panorama multilingüe de la música popular, es llamativo que Nathy Peluso no sea un nombre conocido en todas partes. Con un gran éxito en Argentina y España, su álbum debut

"Calambre" recibió una nominación a los Grammy por su mezcla de neo-soul, trap latino y hip-hop de los 90. Sus actuaciones en directo son electrizantes y su estética en Instagram recuerda a Dua Lipa. El éxito mundial debería ser un camino sin obstáculos. Pero, al menos en el Reino Unido, ha pasado relativamente desapercibida.

Su segundo álbum, "Grasa", podría cambiar eso. En este disco conceptual y ecléctico, Peluso alterna entre la introspección dolorosa y la fanfarronería desafiante. Es una especie de Jekyll y Hyde aquí, luchando entre ella misma y su personaje de estrella del pop. La incertidumbre artística encerrada en la balada italiana de los 50 de la canción de apertura "Corleone" se estrella contra los brutales cuernos de la siguiente canción "Aprender a Amar" y su rechazo furioso a ser subestimada. El doloroso corazón de "Escaleras de Metal", con Auto-Tune, es aplastado por los ritmos de trap de acero de "Todo Roto" y su letra de apertura, que se traduce como: "Levántate perra, no hay tiempo / Si duele, ponte un apósito". Y "El Día Que Perdí Mi Juventud", con su añoranza acústica y su cimbalo periférico que hierve como un recuerdo casi olvidado, es barrido por el sonido lujoso de la salsa y la narración humorística de "La Presa".

El concepto se desvanece un poco: "Menina" y "Manhattan" son todo fanfarronería pero sin mordiente, y la personalidad de Peluso se ahoga en un estilo épico al más puro estilo Imagine Dragons, "Ideas Radicales". Estos pequeños fallos son insignificantes. Peluso puede empezar el álbum con una letra que sugiere que su ambición la está matando, pero el alcance y la ejecución aquí sugieren una artista que está muy viva.
