The 22Bet brand originates from Russian-speaking countries, but as they have developed, they have broadened the scope of their operations to provide a betting service in multiple nations across the whole of Europe.

Still relatively new to the game, founded in 2007, their website is impressive and easy to use, and provides consistently competitive odds with licensing from the Government of Curacao, and they are already proving to be fierce competition to the well more established operators due to their competitive odds and a great live betting platform.

The website

The 22Bet website includes a handy set of tabs on the left of their homepage so that you don't have to waste time in hunting down the odds for your favourite sport.

The simple tasks such as logging into your account, switching between decimal and fractional

odds, and adding funds are all straightforward and intuitive. Also, it's nice touch to see how they include multi-language support for a variety of nations.
