conteúdo:

É um tradicional torneio internacional de tênis disputado nos países da América do Sul e na Europa.

Também é um dos 8 quatro torneios do mundo, sendo o principal torneio da modalidade.

O torneio foi criado no ano de 1954 na cidade do Rio de Janeiro, no Estado do Rio de Janeiro, juntamente com o Torneio Triangular dos Campeões da Europa (RXC) e o Torneio Internacional de Moscou ( Torneio Internacional de Moscou).

O torneio tem como campeão o suíço Roger Federer.

As regras são as mesmas.

PALLITE is expanding its PIX range to include PIX SLOTS to meet the demands of businesses storing small and lightweight products, such as the fashion and beauty industry.

PALLITE launched its PIX range more than two years ago. An alternative to corrugated pick bins, as well as metal racking, PALLITE PIX is designed to consolidate pick-faces to create more space in a warehouse, ultimately giving operators a higher yield of SKU density per square metre. The difference with PIX is that it overcomes the grievances you face when choosing any of the other solutions in the market and offers a flexible, quick-build, and easy to bespoke solution. What's more, PIX and PIX SLOTS is made from more than 85% recycled materials and is 100% recyclable.

PIX is quick and easy to build without the need for any tools. A customer recently proved just how quick when they had a team of two people build more than 9,000 pick-faces in just five hours, completely transforming their operations and business in a single day. It was easy and cost-effective for them to specify bespoke units and benefit from the short lead times offered by PALLITE, meaning they were not forced to settle for a solution that didn't perfectly fit their space or modify their existing infrastructure to accommodate standard size units. What's more, they can now flex the units around their ever-changing product range by removing dividers and store up to 200kg per shelf.

PIX SLOTS is a lighter-weight, lower-cost version of the original PIX range and focuses on consolidating pick-faces for lightweight and small items such as those found in the fashion and beauty industries. Since the UK soft launch in March, PIX SLOTS has already sold over £135,000 of units in the UK alone, with a further £30,000 landed as part of PALLITE's ongoing international expansion.

"PIX is now in

over 300 warehouses in the UK – but we know that with over 8,000 warehouses in the UK

alone, it's a drop in the ocean in terms of PIX reaching its full potential," said David Rose, Innovation Director at PALLITE.

"The beauty of PIX is that it maximises the use of space in a warehouse thanks to its bespoke sizes and flexible pick-faces – but we always knew it wasn't going to be a 'one size fits all' for long.

"That's why we've launched PIX SLOTS – it's the natural evolution of the range, and there are lots more innovations to come, so watch this space. We've always listened to and moved with the market, and with the changes that the pandemic has brought, it's never been more important to do so."

### Gukesh Dommaraju: El ganador más joven del Torneo de Candidatos y nuevo retador al título mundial de ajedrez

El gran maestro indio Gukesh Dommaraju, de 17 años, se convirtió en el ganador más joven del torneo de Candidatos y desafiante por el título mundial de ajedrez tras superar a los favoritos Fabiano Caruana, Hikaru Nakamura y Ian Nepomniachtchi en la maratónica ronda final de six horas en Toronto.

Gukesh se enfrentará al actual campeón mundial, China's Ding Liren, en una serie de 14 juegos por el título mundial desde el 20 de noviembre al 15 de diciembre. El actual número 1 del mundo, Noruega's Magnus Carlsen, abdicó su título en 2024 después de un reinado de 10 años.

Jugador	Puntos
Gukesh Dommaraju	9/14
Fabiano Caruana,Hikaru Nakamura e Ian Nepomniachtchi	8.5/14
Praggnanandhaa Rameshbabu	7/14

El joven de Chennai inició la ronda 14 con medio punto de ventaja sobre sus tres rivales y finalizó con un empate con Nakamura, El número 3 del mundo de los EE. UU. Caruana, el número 2 del mundo de los EE. UU., tuvo la oportunidad de forzar un empate y un desempate ajedrecístico, pero no pudo concretar su posición ganadora contra Nepomniachtchi de Rusia. Su juego duró 109 jugadas y seis horas antes de que Caruana abandonara sus intentos de avanzar en un final

muerto que estaba en un empate.

El campeonato mundial de ajedrez entre Ding y Gukesh será el primer encuentro de campeonato entre dos jugadores asiáticos. Aunque Ding ha tenido un rendimiento regular en los últimos meses, el ganador del Torneo de Candidatos y el menor de los dos, será el favorito para convertirse en el campeón mundial más joven por cuatro años, aunque existe una advertencia.

## **Una advertencia**

En una entrevista, Ding elogió a su rival: "Tiene una madurez que no corresponde a su edad, y tiene su propio entendimiento único de la posición... Es un rival difícil de enfrentar". Pero agregó: "Tengo la ventaja en ajedrez clásico".

Ding se refiere a sus dos únicos juegos de ajedrez clásico entre ellos, en Tata Steel Wijk aan Zee en 2023 y 2024, donde en ambos casos el jugador chino derrotó a su oponente con las piezas negras.
