Variant of card game poker

Seven-card stud, also known as Seven-Toed Pete or

Down-The-River,[1] is a variant of stud poker. Before 2 the 2000s surge of popularity of Texas hold 'em,[2] seven-card stud was one of the most widely played poker variants 2 in home games across the United States[3] and in casinos in the eastern part of the country. Although seven-card stud 2 is not as common in casinos today, it is still played online. The game is commonly played with two to 2 eight players; however, eight may require special rules for the last cards dealt if no players fold. With experienced players 2 who fold often, playing with nine players is possible.

In casino play, it's

common to use a small ante and bring-in. 2 In home games, using an ante only is typical.

Seven-card stud is the "S" game in HORSE and similar mixed game 2 formats.

Rules

[edit]

The game begins with each player being dealt two cards face down and one card face up. 2 The player with the lowest-ranking upcard pays the bring-in, and betting proceeds after that in normal clockwise order. The bring-in 2 is considered an open, so the next player in turn may not check. If two players have equally ranked low 2 cards, suit may be used to break the tie and assign the bring-in (see high card by suit). If there 2 is no bring-in, then the first betting round begins with the player showing the highest-ranking upcard, who may check. In 2 this case, suit is not used to break ties. If two players have the same high upcard, the one first 2 in clockwise rotation from the dealer acts first.

After the first betting round, another upcard is dealt to each player (after 2 a burn card, and starting at the dealer's left as will all subsequent rounds), followed by a second betting round 2 beginning with the player whose upcards make the best poker hand. Since fewer than five cards are face up, this 2 means no straights, flushes, or full houses will count for this purpose. On this and all

subsequent betting rounds, the 2 player whose face-up cards make the best poker hand will act first, and may check or bet up to the 2 game's limit.

The second round is followed by

a third upcard and betting round, a fourth upcard and betting round, and 2 finally a downcard, a fifth betting round, and showdown if necessary. Seven-card stud can be summarized therefore as "two down, 2 four up, one down". Upon showdown, each player makes the best five-card poker hand they can out of the seven 2 cards they were dealt.

Seven

cards to eight players plus four burn cards makes 60 cards, whereas there are only 52 2 in the deck: in most games, this is not a problem because several players will have folded in early betting 2 rounds. In the event that the deck is exhausted during play, the four previously dealt burn cards can be used, 2 but if these are not sufficient, then the final round will have a single community card (which can be used 2 by everyone) dealt into the center of the table in lieu of a downcard to each player. Discarded cards from 2 a folded hand are not reused.

Unlike draw poker, where no cards are ever seen before

showdown, stud poker players use 2 the information they get from face-up cards to make strategic decisions. A player who sees a certain card folded is 2 able to make decisions knowing that the card will never appear in another opponent's hand.

Variants [edit

]

There are several 2 variations of Seven-Card Stud Poker in which each player is dealt a set number of cards. Not all of these 2 variations can be found at poker rooms but they can be fun to play at home.

"Down the River" is the 2 basic variation of Seven-Card Stud

Poker and this is the game played in poker rooms. "Mississippi" removes the betting round 2 between fourth and fifth streets, making only four betting rounds. This game also deals the fourth and fifth cards face 2 up. This makes the game more closely resemble Texas Hold'em by having the same betting structure and the same number 2 of down and up cards. Another is "roll your own", in which four rounds of two cards each are dealt 2 down, and each player must "roll" one card to face up, followed by a round of betting. Except for the 2 first round, the card rolled may or may not be from the round just dealt. "Queens and after": in this 2 variant, all Queens are wild, and so is whatever card that is dealt face up that follows the Queen. All 2 cards of that kind are now wild, both showing and in the hole. The fun part is that if another 2 Queen is dealt face-up, the wild card will change to whatever follows this Queen. The former card is no longer 2 wild. "Baseball": in this variant 3s and 9s are wild, and a 4 dealt face up gets an extra card. 2 "Low Chicago": Low spade in the hole gets half the pot. Similarly, "High Chicago" means high spade instead of low. 2 Just "Chicago" can mean either. "Acey Ducey": aces and twos are wild. One-eyed Jacks or Suicide King can be specified 2 as wild. Razz is a lowball form of Seven-Card Stud, with the objective being to get the lowest hand possible. 2 In the variation called "Seven-Card Stud High-Low", the pot is split between the holder of the highest and lowest hand 2 if the low hand is topped by at least an 8. Alternative names to this variation are Seven-Card Stud/8 and 2 Seven-Card Stud Split.

Sample deal [edit]

The sample deal below assumes that a game is being played by four players: 2 Jimmy, who is dealing in the examples; Larry, who is sitting to his left; Craig to his left; and Katherine 2 to Craig's left.

All players ante 25¢. Jimmy

deals each player two downcards and one upcard, beginning with Larry and ending 2 with himself. Larry is dealt the 4, Craig the K, Katherine the 4, and Jimmy the 9.

Because they are 2 playing with aR\$1 bring-in, Katherine is required to start the betting

with a R\$1 bring-in (her 4 is lower than Larry's 2 4 by suit). She had the option to open the betting for more, but she chose to bet only the 2 required R\$1. The bring-in sets the current bet amount to R\$1, so Jimmy cannot check. He decides to call. Larry folds, indicating 2 this by turning his upcard face down and discarding his cards. Craig raises to R\$3. Katherine folds, and Jimmy calls.

Jimmy now 2 deals a second face-up card to each remaining player: Craig is dealt the J, and Jimmy the K. Jimmy's two 2 upcards make a poker hand of no pair, K-9-high, and Craig has K-J-high, so it is Craig's turn to bet.

2 He checks, as does Jimmy, ending the betting round.

Another face up card is dealt:

Craig gets the 10 and Jimmy 2 gets the K. Jimmy now has a pair of kings showing, and Craig still has no pair, so Jimmy bets 2 first. He bets R\$5, and Craig calls.

On the next

round, Craig receives the 10, making his upcards K-J-10-10. Jimmy receives the 2 3.

Jimmy's upcards are 9-K-K-3; the pair of kings is still higher than Craig's pair of tens, so he bets R\$5 2 and Craig calls.

Each player now receives a downcard. It is still

Jimmy's turn to bet because the downcard did not 2 change either hand. He checks, Craig bets R\$10, and Jimmy calls. That closes the last betting round, and both players remain, 2 so there is a showdown.

Since Jimmy called Craig's bet, Craig shows his cards first: Q

2 K J 10 10 2 A. He can play A-K-Q-J-10, making an ace-high straight. Jimmy shows (or, seeing he cannot beat Craig's straight, mucks his 2 cards): 9 5 9 K K 3 5.

The best five-card poker hand he can play is K-K-9-9-5, making two 2 pair, kings and nines. Craig wins the pot.

In popular culture [edit]

At the end of Tennessee

Williams' play A 2 Streetcar Named Desire, the minor character Steve says "This game is seven-card stud," seemingly a reference to the narrative's transactional, 2 game-like nature and its lack of propensity to change.

Paralimpista e astronauta John McFall pode ser o primeiro deficiente a ir ao espaço

O Paralimpista e astronauta John McFall pode se tornar a primeira pessoa deficiente a ir ao espaço, e ele atribui os Jogos Paralímpicos por ajudar a desafiar preconceitos sobre o que as pessoas com deficiência podem alcançar.

Da Paralimpíada ao espaço sideral

Após um acidente de motocicleta que causou a amputação de jackpot cassino perna direita aos 19 anos, McFall aprendeu a correr novamente e se tornou um atleta profissional de atletismo de pista e campo.

O velocista do time britânico ganhou bronze nos 100m T42 nos Jogos Paralímpicos de Pequim de 2008 e mais tarde começou a trabalhar como cirurgião traumatologista e ortopédico.

McFall se tornou o primeiro "parastronauta" jackpot cassino 2024, quando a Agência Espacial Europeia (ESA) anunciou uma nova turma de astronautas jackpot cassino treinamento, e participou do estudo de viabilidade "Fly!" da ESA, que avaliou os desafios que uma pessoa com deficiência pode enfrentar jackpot cassino voos espaciais.

O estudo, ele disse à revista científica Nature na semana passada, "até agora demonstrou que é tecnicamente viável para alguém com uma deficiência física como a minha voar para o espaço e viver e trabalhar como membro plenamente integrado da tripulação da ISS por uma missão longa".

Com parte do estudo prevista para terminar no final do ano, McFall espera que a ESA "coloque alguém com uma deficiência física no espaço", acrescentou.

"Espero ter a oportunidade de voar no futuro. Isso seria incrível. E também espero poder plantar a semente para uma legacy para seguir jackpot cassino frente, para examinar a viabilidade de voar com um conjunto mais amplo de deficiências", o homem de 43 anos disse.

Um marco na inclusão no espaço

A ESA observou jackpot cassino um comunicado à imprensa que o estudo, que viu McFall se submeter a treinamento de sobrevivência jackpot cassino inverno e mar e voos de zero gravidade, marcou "um marco significativo no caminho para a inclusão no espaço".

"Até agora, o 'Fly!' não identificou nenhum impedimento que impediria um astronauta com uma deficiência como a de John de participar de uma missão longa na Estação Espacial Internacional (ISS), que geralmente dura seis meses", disse a agência jackpot cassino um comunicado.

Os Jogos Paralímpicos como exemplo

McFall apontou para os Jogos Paralímpicos como um exemplo de como o esporte pode mudar as percepções sociais das pessoas com deficiência.

- Atletas elite inspiram muitas pessoas.
- Muitas pessoas fazem esporte e admiram o que leva a competir ao nível elite.
- Do ponto de vista paralímpico, é muito importante se conectar com um público maior, fazer a sociedade ciente do que as pessoas com deficiências físicas são capazes de fazer.
