Cazino Zeppelin Reloaded: Slot Overview

After some internet searching, it appears that

riding in a blimp is more akin to sailing 2 a boat than flying a plane. Imagine the sensation of silkily floating over the ground, as cities and the countryside 2 lay spread out as far as the eye can see. Now picture doing it in a fantasy world, full of 2 brass and eccentric characters. Actually, there's no need to push your mind too hard as developer Yggdrasil provided a taste 2 of this very thing in one of their most iconic slots Cazino Zeppelin, an imaginative tour de force released in 2 2024, masterfully mixing steampunk with a thrilling Dead or Alive-inspired bonus round where sticky wilds dominated. Now, fast forward six 2 years or so, and we've got our hands on the remake, the aptly titled Cazino Zeppelin Reloaded, which holds fast 2 to the past while making major adjustments to its rules with staggering results.

Graphically, almost as much has

stayed the same 2 as has changed. What has changed are the side decorations, where the older patterned borders have been replaced with whirring 2 cogs, sprockets, and buzzing electricity. A blurry view of the outside world can be made out behind the 5-reel game 2 grid, lazily drifting by as the zeppelin soars the skies. None of these represent major design advances, but they're more 2 than enough to reinforce the steampunk industrial atmosphere and for anyone wowed by the original to set hearts aflutter, again.

Like 2 the

outer wrapper, what takes place behind the scenes is also a case of new and old. Old being things 2 like the return of a highly volatile math model and an RTP of 96%.

Potential has been blown completely out 2 of proportion (we'll get to that) while 20 paylines are provided to land winning combinations across. When you're ready to 2 step aboard for the flight, base stakes of 20 p/c to R\$/€20 may be set, with the voyage possible on any 2 device.

The payable will be familiar to fans, too, with the same four high roller characters making up the premium symbols, 2 where a line of five is worth 25 to 100x the bet. The already elaborate card suit low pays have 2 been made even more elaborate this time around, pulling in wins of 5 to 8.5 times the stake for five 2 a kind. Wilds are where the reloaded version of Casino Zeppelin starts to leave its predecessor in the dust. Landing 2 on any reel, wilds substitute for any pay symbol and can have multipliers of up to x5 in the base 2 game. Whenever more than one wild is used in a win, the values are added together.

Casino Zeppelin Reloaded: Slot Features

Zeppelins 2 might be known for their smooth sailing in good weather, but someone's decided to clap booster rockets on this one 2 because all sorts of madness is possible during free spins. There are two ways of triggering them: wait for at 2 least 3 scatters to land naturally or buy them using the feature buy option. When 3, 4, or 5 scatters 2 land in view, players win 2x their bet plus 10, 15, or 20 free spins, respectively.

Any wilds appearing on the 2 triggering spin are transferred over to free spins when the round begins. During free spins, wild symbols are sticky for 2 the full duration of the feature. In a major new addition, each new wild that lands increases the multiplier of 2 all sticky wilds from previous spins, including from the base game, by +1. Should at least one wild be collected 2 on every 5 reels, then +5 additional free spins are awarded. This can happen only once per round.

Golden Bet

In the 2 base game, players have the option of switching on the Golden Bet feature. This increases the cost of each paid 2 spin by 25% and doubles the chance of hitting free spins.

Buy Bonus

With

all the sticky wild multiplying available in free 2 spins, it makes sense players will want to trigger it asap. For those willing and able to buy them, Casino 2 Zeppelin Reloaded presents three choices. For 100x, 300x, or 700x, players can buy 10, 15, or 20 free spins, respectively.

Casino 2 Zeppelin Reloaded: Slot Verdict

Casino Zeppelin

Reloaded is sure to charm fans of the original game while possessing the sort of 2 features and potential to lure newbies in for a crack. A fair amount of time has passed since Casino Zeppelin 2 was released, and graphics, in general, have moved on since then. However, credit to Yggdrasil for making only modest cosmetic 2 changes, thereby giving Casino Zeppelin Reloaded an extra vintage feel that should ignite memories of the older game. At the 2 same time, the looks are good enough to attract players who might not have even tried the original.

The light-touch approach 2 also goes for features, to a degree, which are mostly the same as before – with a few mighty additions. 2 Like some driven 19th-century inventor/adventurer adjusting the knobs on their dirigible to achieve new airspeed records, Casino Zeppelin Reloaded's free 2 spins have been significantly boosted. The new multiplier element is capable of producing vastly greater thrills and winning potential than 2 Casino Zeppelin, or most other slots out there for that matter, theoretically speaking at least.

It's no secret sticky wilds go 2 down a treat, and we've seen multiplier versions of them go crazy in games like Dead or Alive 2 or 2 Top Dawg\$, helping players smash their way to epic wins. Now, take those games, open up the winning potential, and 2 you've got an idea of what to expect in Casino Zeppelin Reloaded.

As far as reloads go, Casino Zeppelin Reloaded is 2 exceedingly difficult to fault. Some might have wanted more modern visuals or extra ingenuity in terms of features, but let's not nit-pick. What's come out of the reload process is a game which retains the atmospheric magic of the original 2 while pumping up an already lethal bonus game with the sort of multipliers that would make a steampunk polymath blush.
