Voodoo Magic Slot Review

By pressing play, you agree that you are above legal age in your jurisdiction and that your jurisdiction allows online gambling.

Max win, RTP and

Information for the slot Voodoo Magic

With Voodoo Magic, Pragmatic Play here comes with

slots where dark magic is practiced. Where it is not only spiritual forces that are being summoned but also big wins. You play here on a slot that has 5 reels, 4 rows and 40 paylines. Here you can choose between making a Min.bet of 0.2 and a Max.bet of 100. It can take longer time before you succeed in getting the bigger wins, as there is a high volatility here. But can you finally manage to get a maximum win of 1000X the amount you bet. The game's RTP is 96.5%.

Pragmatic Play comes here with a new slot

where you can make active choices which will then result in random game conditions.

Let's find out what you can expect to see during the game.

Pick a card and take part in

one of the 3 different free spins variants

We have ended up at a dark and very

mysterious slot that is filled with exciting features. You can land 13 different

symbols during the game. The lower paying symbols are 9, 10, J, Q, K and A. The higher paying symbols are an animal skull, human skull, alligator and the voodoo practitioner.

Here you can also succeed in landing wild symbols and in addition to succeeding in creating more winning opportunities, this symbol also pays the most. The game's bonus symbol consists of a green potion with a skull on it. To spice up the game with

additional mystery, here are Mystery symbols that you can get. These consist of purple cards, which also have a skull on them. Indeed, many skulls during the game and one can

only hope that the voodoo doll itself is not active on anyone.

Here you get to take

part in a magical gaming experience

We have ended up here in a very mysterious and magical place, where voodoo is practiced. Within it, spiritual powers are worshiped and through black magic you can summon them. The classic scenario is when you have linked a doll to a certain person and what happens to the doll will also happen to the real person. There are certainly very unpredictable events and a lot can happen, which sums up this slot very well, as you have to be involved and decide your own destiny through active choices during the game. Here you can take part in wilds, Mystery symbols, free spins with 3 different variants and also random spin features in the form of Mystery curses and Fortune hex.

The game's wild symbol can land on all reels and helps create more winning combinations by substituting for all other symbols. The only symbol it does not substitute for is the bonus symbol. These wild symbols can appear in so-called super stacked wilds and create even greater chances of winning.

During the game, many things can happen, and it is the bonus symbol that is involved in most of them. This symbol can only land on reels 2, 3 and 4.

If you land a bonus symbol on reel 2 and 3, you get to take advantage of the random spin features. Here you will be given two different potions to choose from. These contain either Mystery curses or Fortune hex.

At the Mystery curses, a random number of wild symbols will be scattered on the reels. Where a number of new winning combinations are then formed. These new winnings are then paid out.

If you instead get the potion feature Fortune hex, all bonus symbols and lower paying symbols will be removed from the reels. What then happens is that all the empty positions will be filled with higher paying symbols. With reels that are only covered by higher paying symbols can result in big wins.

If you succeed in landing bonus symbols on reels 2, 3 and 4, you will instead get to take advantage of the game's free spins feature. Once you have activated it, you will have 3 different cards to choose from and under these are 3 different free spins variants hidden. Namely Mega Voodoo, Super Voodoo and Voodoo, where these come with different features that can benefit your spins that are being made. On all of them, Mystery symbols will be able to land, depending on which card you choose, different symbols may appear below them. What makes mystery symbols unique is when these symbols have landed, the same symbols will appear below all of them.

Mega Voodoo

You are here guaranteed to win at least 50X the amount you bet, where you can start with 5 free spins. If you haven't reached that win after these spins have been used, you will receive 5 additional spins until the minimum win is reached. Mystery symbols can land during these free spins and below these there is only one of the 5 higher paying symbols, where the wild symbol is included.

Super Voodoo

You are here guaranteed to win at least 25X the amount you bet, where you can start with 5 free spins. If you haven't reached that win after these spins have been used, you will receive 5 additional spins until the minimum win is reached. Mystery symbols can land during these free spins and during these all paying symbols including wilds can be shown.

Voodoo

You are guaranteed to win at least 10X the amount you bet, where you can start with 5 free spins. If you haven't reached that win after these

spins have been used, you will receive 5 additional spins until the minimum win is reached. Mystery symbols can land during these free spins and during these all paying symbols including wilds can be shown.

You can use the game's Bonus buy feature, whereby paying 80X your bet you get the chance to take part in one of the 3 free spins variants. You choose from the three different cards and get a random one of Mega Voodoo, Super Voodoo or Voodoo.

Potions containing Mystery curses and Fortune hex can be found here

Voodoo Magic is a slot where like magic many things can happen. You are here on a slot that has 5 reels and 4 rows, where a variety of exciting features await. Here you can take part in super stacked wilds, mystery symbols, free spins with 3 different variants. There are also random spin features that either have Mystery curses or Fortune hex. During the game, you can succeed in getting a maximum win of 1000X the amount you bet. Are you ready to visit this spiritual and mysterious place?

Tribunal superior de Arizona permite la prohibición del aborto de 1864

La decisión del martes anuló una decisión de un tribunal inferior anterior que concluyó que los médicos no podían ser acusados por realizar abortos en las primeras 15 semanas de embarazo.

¿CÓMO LLEGAMOS AQUÍ?

La ley ha estado en vigor décadas antes de que Arizona se convirtiera en un estado el 14 de febrero de 1912. Un tribunal en Tucson bloqueó su aplicación poco después de que el Tribunal Supremo de los EE. UU. emitiera su decisión de 1973 Roe v. Wade que garantizaba el derecho constitucional a un aborto.

Después de que el Tribunal Supremo de EE. UU. anuló la decisión histórica Roe en junio de 2024, el entonces Fiscal General de Arizona, Mark Brnovich, un republicano, logró que un juez estatal levantara una orden de restricción que bloqueaba la aplicación de la prohibición de 1864. El Tribunal de Apelaciones de Arizona suspendió la ley mientras el Fiscal General actual, Kris Mayes, una demócrata, instaba a la corte estatal a que mantuviera la decisión del tribunal de apelaciones.

¿QUIÉN PUEDE SER PROCESADO BAJO LA LEY DE 1864?

La ley ordena el procesamiento de "una persona que proporciona, suministra o administra a una mujer embarazada, o procura que tal mujertome cualquier medicamento, drogas o sustancia, o utiliza o emplea cualquier instrumento o medio whatever, con la intención de procurar el aborto de dicha mujer, a menos que sea necesario para salvar su vida."

El Tribunal Supremo de Arizona sugirió en su fallo del martes que los médicos pueden ser procesados, aunque los jueces no lo dijeron explícitamente.

"A la luz de este fallo, los médicos están ahora advertidos de que todos los abortos, excepto los necesarios para salvar la vida de una mujer, son ilegales" dijo la sentencia. Los jueces señalaron que pueden aplicarse sanciones penales y reglamentarias adicionales a los abortos realizados después de 15 semanas de embarazo.

Arizona ha evitado apoyar una prohibición nacional del aborto y ha advertido de que el tema podría dar lugar a pérdidas republicanas. La decisión dará a Arizona la ley de aborto más estricta de los estados de batalla de primer nivel.

Kyrsten Sinema, que no busca la reelección.

¿QUÉ VIENE AHORA?

los Activistas en Arizona están recogiendo firmas para una enmienda constitucional que garantizaría el derecho al aborto. Si los defensores recogen suficientes firmas, Arizona se convertiría en el último estado en someter a los votantes la cuestión de los derechos reproductivos.

La enmienda constitucional propuesta garantizaría el derecho al aborto hasta que un feto pudiera sobrevivir fuera del útero, típicamente alrededor de las 24 semanas. También permitiría abortos posteriores para salvar la vida de la madre o proteger su salud física o mental.
