9 Mar 2024 22.02 GMT Poor Kylian Mbappé, who for the want of a few inches here and there, would have been celebrating a hat-trick tonight. But two of his goals were chalked off for offside, correctly so, after which point the entire Parisian edifice crumbled. Having dominated for most of the tie, they collectively Devon Loch-ed it along the final stretch, and a spirited Real Madrid, propelled by the genius of Karim Benzema and Luka Modri, snatched the quarter-final place from under their nose. An abject capitulation by the visitors, who can file this latest one alongside Barcelona and Manchester United. Lionel Messi walks away from the crime scene with a blank look on his face, and he's got some admin to do as well, popping this debacle next to Roma, Liverpool and Bayern Munich on his personal résumé. What an evening at the Bernabeu!

9 Mar 2024 21.54 GMT FULL TIME: Real Madrid 3-1 PSG

(agg: 3-2) All hail 16-minute hat-trick hero Karim Benzema! What a sensational comeback by Real! But what a capitulation by PSG. They suffer another embarrassing exit from the Champions League. They're making a habit of this ... as is Lionel Messi. What a game!

9 Mar 2024 21.52 GMT 90 min +4:

Mbappe runs the ball out for a goal kick, and Real are so close now to the completion of an outrageous comeback.

9 Mar 2024 21.52 GMT 90 min +3: Modric wins the ball in

midfield, then Benzema takes the ball to the corner. The home fans crack out a few yelps of delight as the passes stick. You know the sort.

9 Mar 2024 21.51 GMT 90 min

+2: Vinicius is clipped on the halfway line and takes the opportunity to go down in the clock-management style.

9 Mar 2024 21.50 GMT 90 min +1: In the first of four added

minutes, Messi sends the free kick towards the top-right corner ... but it's always heading over the bar. Huge cheers, for more than one reason as well. Oh Lionel.

9 Mar

2024 21.49 GMT 90 min: Neymar romps into Real territory with options to his left and right. Before he can decide what to do, he's fouled by Camavinga. Free kick, 30 yards out in a central position. Messi's eyes light up.

9 Mar 2024 21.48 GMT 89 min: PSG's

final roll of the dice: Draxler comes on for Hakimi. Modric then sashays right to left across the face of the Real box and aims a shot towards the top left. Inches wide and high. So close to wrapping this up.

9 Mar 2024 21.47 GMT 88 min: Can Mbappe rescue this

situation for PSG? He powers down the inside-left channel and is cynically checked by Vazquez, who goes into the book. Nothing comes of the resulting free kick.

9 Mar 2024

21.46 GMT 86 min: Rodrygo batters the free kick into the wall, then slices the rebound well wide right. PSG are all over the shop. This is an astonishing turnaround and capitulation, even by their own historical standards.

9 Mar 2024 21.45 GMT 85 min:

Vinicius has the opportunity to put this tie to bed, but as he makes good down the left, he stands on the ball. Then Benzema has a run down the right. PSG just about hack clear. Then Kimpembe, who has just been booked, sticks out a leg to bring down Rodrygo. No second yellow, but a free kick in a very dangerous position.

9 Mar 2024 21.43 GMT 83

min: Kimpembe is booked for throwing the ball into Vinicius's chest in irritation, then barging him over. PSG have totally lost the nut. It's a Champions League story as old as time.

9 Mar 2024 21.41 GMT 81 min: PSG have to roll the dice now. Di Maria comes on for Danilo. Hakimi, his head gone, scythes through Vinicius and is booked for his trouble. You don't need me to tell you that the Bernabeu is on a rolling boil. What an atmosphere! What a comeback this will be ... if they pull it off. Do PSG have a response? That Donnarumma mistake suddenly seems so expensive.

9 Mar 2024 21.39 GMT 80

min: Not a great 12 seconds of action for Marquinhos, the ball deflecting off him for Benzema's second, followed by the mistake for the third. Another famous PSG capitulation is on!

9 Mar 2024 21.38 GMT GOAL! Real Madrid 3-1 PSG (Benzema 78); agg

3-2 This is sensational! Simply sensational! There's a pause as VAR checks the tie-equalising goal. It's onside. A huge roar. Then another huge roar as Real snaffle the ball straight from the kick-off. Vinicius is sent scampering down the left again.

Once again he's swarmed. Marquinhos tries to clear, but only sends a flick across the face of his box towards Benzema, who steers an outrageous first-time shot into the bottom right from the edge of the box. That came 12 seconds after the restart! Real Madrid's Karim Benzema celebrates scoring their third goal with Luka Modric.

9 Mar 2024 21.36 GMT GOAL! Real

Madrid 2-1 PSG (Benzema 76); agg 2-2 What a game this is! Modric runs from deep inside his own half, then releases Vinicius down the inside left. Vinicius is swarmed. He rolls across the face of goal for Modric, who plays a cute pass down the right channel to find Benzema, who spins and batters a shot past Donnarumma. We're all level! Updated at 22.26 GMT

9 Mar

2024 21.34 GMT 74 min: Modric comes sliding in on Messi and wins a crunching, old-school, 1980s-style tackle. The home fans really enjoyed that. The erstwhile Barcelona man wears an inscrutable look as he picks himself up and dusts himself down, refusing to give the old enemy any more pleasure.

9 Mar 2024 21.33 GMT 73 min: But that

spirit's far from sapped yet. PSG ship possession, the ball clanking around their own box and breaking to Vinicius, who leans back and hoicks over the bar when one on one with Donnarumma, six yards out! Then the visitors lose the ball again, Vinicius probing again down the left only for Rodrygo to run the ball out for a goal kick.

9 Mar 2024

21.31 GMT 72 min: The free kick leads to a corner on the right. PSG opt to play it back down the flank and play some more possession football designed purposefully to sap the Real spirit.

9 Mar 2024 21.30 GMT 71 min: PSG ping, ping, ping it around. Eventually

Militao gets fed up and hangs a leg across Neymar who was attempting to break down the left. Before the free kick can be taken, PSG replace the booked Paredes with Gueye, a decision no doubt influenced by the former getting away with a clip on Benzema a couple of minutes ago.

9 Mar 2024 21.27 GMT 69 min: PSG try to put the lid back on with some

sterile possession in the middle of the park. They do a decent job, to be fair, and the home fans break out the irate whistles.

9 Mar 2024 21.26 GMT 67 min: Some admin:

Donnarumma was booked for arguing the toss about Benzema's challenge that led to the mistake that led to the goal, while Real replace Carvajal with Vasquez.

9 Mar 2024

21.25 GMT 65 min: Real win a corner on the left. Modric takes. It breaks to Carvajal, who sends a speculative drive into a packed box. PSG half clear it. A cross comes back in from the right. Vinicius flicks towards the bottom right. Donnarumma is all over it, and Militao was penalised for a shove anyway.

9 Mar 2024 21.23 GMT 64 min: The roof of

the stadium nearly flies off as Benzema meets a right-wing cross and sends a header inches wide of the top right. Donnarumma wasn't necessarily getting to that, had it been on target. On the touchline, Pochettino quietly fumes at his team's sudden loss of equilibrium.

9 Mar 2024 21.22 GMT 63 min: Donnarumma claims he was fouled by Benzema,

who certainly knocked him off balance. The striker was entitled to challenge for the ball with a shoulder charge, though, and forced the mistake. Game on! The Bernabeu

explodes in excitement!

9 Mar 2024 21.21 GMT GOAL! Real Madrid 1-1

PSG (Benzema 61); agg 1-2 Donnarumma gifts Real a goal, and the hosts are back in it! The PSG keeper faffs around having received the ball at his feet. Benzema presses hard.

Donnarumma panics and shanks a weird ball across the face of his own goal. Vinicius retrieves it at the far stick, and rolls it back for Benzema, who slams home from close range. What a fiasco!

9 Mar 2024 21.19

GMT 60 min: Mbappe backs himself in a footrace down the left with Carvajal. He does this because he's so obviously going to win it. Carvajal has little option but to

cynically barge the troublesome Mbappe off the field of play. Yellow card. Mbappe is such a danger, Real will do well to end this game with 11 men.

9 Mar 2024 21.17 GMT 58

min: Mbappe stays down, but happily there's nothing seriously wrong with him and he's back up soon enough. While he grabs a breather / gets the once-over from the physio,

Real make a double change, replacing Kroos and Asensio with Rodrygo and Camavinga.

9 Mar 2024 21.16 GMT 56 min: Mbappe is outrageous, like that's telling you something you don't know. He nearly power-glides his way clear, chasing a ball he's got no right to get, squeezing between Militao and Alaba and into the box. Just as Mbappe prepares to

pull the trigger, Alaba sticks out a leg to block bravely ... and brilliantly. That was

the tie, right there. Kylian Mbappe of PSG goes past David Alaba (left) and Eder

9 Mar 2024

21.14 GMT 55 min: Vinicius tries to deliver a sucker punch up the other end, but his shot bobbles fairly harmlessly through to Donnarumma.

9 Mar 2024 21.14 GMT 54 min:

Mbappe has the ball in the net for the third time this evening, but for the second time

it's ruled out! Neymar slips him free down the inside left. He enters the box, sells

the committed Courtois an outrageous dummy, and having shuffled past the stricken

keeper to his left, whistles the ball into the unguarded net. What skill! Unfortunately

he was a mile offside. That was one hell of a bodyswerve, though. PSG's Kylian Mbappe

shimmies ... Photograph: Irina R Hipolito/Shutterstock And shimmies past Real Madrid's

goalkeeper Thibaut Courtois and sticks the ball in the net but he's thwarted by the

linesman's flag. Photograph: Manu Fernández/AP

9 Mar 2024 21.12

GMT 52 min: Modric strokes a cute pass down the left channel for Asensio, who wins the first corner of the second half. Kroos hits a long diagonal towards Valverde, who

attempts to complete the Scholes-Beckham / De Bruyne-Mahrez routine from the best part

of 30 yards. He catches his volley well, but he's way too far out to make it count. PSG

block and clear.

9 Mar 2024 21.10 GMT 51 min: Neymar is bowled over by Militao, who

earns himself a talking-to from the referee.

9 Mar 2024 21.08 GMT 49 min: Vinicius cuts

in from the left, a spurt of pace that catches PSG unaware. He slips a quick pass down the channel for Asensio, who looks to take a touch and shoot on the penalty spot, but Kimpembe was wise to the grift and toe-pokes away just in time. Decent move by Real, nevertheless.

9 Mar 2024 21.06 GMT 47 min: A fair bit of PSG possession, and a lot of Real chasing. A pattern could be set early.

9 Mar 2024 21.03 GMT PSG get the second

half underway. No changes at the break. "One of the many, many joys of watching Mbappé when he's on song, is how simple his play is," begins Kári Tulinius. "It's not that he's not capable of doing the complex stuff, but he usually chooses the simplest way. There was a moment, before he scored his goal, when he slowed down for a split second, as if thinking: 'What to do now? I think I'll just thump it.' And he thumped it."

9 Mar

2024 20.50 GMT HALF TIME: Real Madrid 0-1 PSG (agg: 0-2) Some worrying head tennis from a Real viewpoint, as it's in their own box. Courtois eventually snaffles, and the whistle goes. Kylian Mbappé, hotly tipped to join Real in the summer, has pushed them towards the Champions League precipice. A reminder that away goals don't carry an extra tariff any more, so Real just need the two to send this to extra time and possible penalties. But the balance of play suggests PSG are more likely to widen the gap and finish the job. Big half-time team talk coming up for Carlo Ancelotti.

9 Mar 2024 20.46

GMT 45 min: Marquinhos creams a pass down the inside-left channel for Mbappe, who flicks insouciantly inside for Messi. For a second, it looks like Messi is preparing to inflict more hurt on Real from the edge of the box, but he can't quite sort his feet out. There are two more first-half minutes for Real to survive, at which point they can simmer down and regroup.

9 Mar 2024 20.45 GMT 44 min: Vinicius is booked for arguing the toss. Madrid could do with hearing the half-time whistle and clearing their heads.

9 Mar 2024 20.44 GMT 43 min: Nacho is booked for a cynical clip on Hakimi, who was barrelling into space down the right.

9 Mar 2024 20.42 GMT 41 min: Real try to

respond quickly, Asensio curling in low from the right to win a corner off Kimpembe. Before the set piece can be taken, there's a petulant rumble in the box. Paredes, on a yellow, foolishly decides to get involved, and is hauled away from the melee by his keeper Donnarumma. Everything calms down quickly enough.

Paraguai está prestes a aprovar o primeiro currículo nacional de educação sexual

Paraguai, que tem a segunda taxa mais alta de gravidez na adolescência na América do Sul, está prestes a aprovar o primeiro currículo nacional de educação sexual.

No entanto, ativistas, alunos e pais expressaram preocupação com as novas diretrizes, que advertem que preservativos não podem ser confiados, a masturbação leva à solidão e não fazem menção a pessoas LGBTQ+.

Necessidade de educação sexual

Trabalhadores de saúde argumentaram há muito tempo que a educação sexual abrangente era urgentemente necessária poker valendo dinheiro real um país onde as taxas de gravidez na adolescência permanecem persistentemente altas - e o aborto é proibido mesmo poker valendo dinheiro real casos de estupro.

Idade Número de nascimentos poker valendo dinheiro real 2024

15-19 anos 10,697

10-14 anos 405

Os dados do governo mostram que, poker valendo dinheiro real 2024, 10,697 adolescentes com idades entre 15 e 19 anos, e 405 meninas com idades entre 10 e 14 deram à luz no país, que tem uma população de apenas 6.9 milhões. Na América do Sul, a taxa de nascimentos na adolescência do Paraguai é superada apenas pelo Venezuela.

Também preocupantes são as estatísticas de abuso sexual, com 4,084 meninas e adolescentes sendo vitimas poker valendo dinheiro real 2024.

Aborto proibido

O Paraguai proíbe os abortos, a menos que possa ser provado um risco para a saúde da mãe, e o país tem visto uma série de casos trágicos poker valendo dinheiro real que vítimas de estupro tão jovens quanto 10 anos foram forçadas a carregar gravidezes até o termo. Em 2024, uma garota de 14 anos morreu durante uma cesariana de emergência, depois de ser estuprada por um homem de 37 anos.

O currículo nacional de educação sexual longamente esperado foi visto como uma maneira de ajudar a resolver a crise quando foi anunciado pelo governo poker valendo dinheiro real junho de 2024.

Mais de um ano depois, críticos argumentam que o projeto, que será implantado nacionalmente no próximo ano, é conduzido não por evidências científicas, mas por fundamentalismo religioso.

Novas diretrizes

O novo currículo afirma que se refere apenas a relações sexuais entre "um homem e uma mulher" e adverte que "sabemos que preservativos não são uma proteção adequada" e que "a masturbação leva a problemas de frustração e isolamento". Os alunos também serão ensinados que "as relações sexuais não são para crianças ou adolescentes, nem para namorados ou namoradas; eles são para adultos comprometidos um com o outro para a vida".

A União Nacional de Centros Estudantis pediu um currículo que "não seja influenciado por nenhuma agenda ideológica ou viés religioso".

Simón Cazal, fundador da ONG de direitos LGBTQ+ SomosGay, disse que o plano do governo está "carregado de preceitos cristãos e é muito repressivo. Ele despreza os direitos humanos e ignora a ciência," ele disse, adicionando que ele "não faz menção alguma a pessoas LGBTQ+". "Temos fenômenos terríveis de violência sexual contra meninas e adolescentes ... e uma das taxas de gravidez na adolescência mais altas no continente - e a única resposta que o governo está propondo é promover o abstinência," disse Cazal, adicionando que apenas organizações conservadoras foram convidadas a discutir o novo programa.
