#### BWIN BONUS SPORT: OUR ADVICE

Make sure that you verify your account once it has been created. When you register, failure to do so will not allow you to use your account.

When it comes to making your initial bet, remember that the maximum free bet that can be received is £20.

Take a bit of time to make your first bet. Do some research on the selections that you make. This is a chance to place a bet that has high odds, knowing that if it is a losing one, you will receive a free bet.

The situation is this, if it wins you start life of on the site with a good winner. If it is a loser, then you will see your stake replaced with a free bet, so take the gamble but do some research of course. Use the free bet well though, carry out research and give yourself a great chance of getting a return from it.

What you should not do

Don't forget to verify your account.

Don't worry about a promo code, you don't need one to claim this welcome offer.

It's not going to get you this welcome offer if you use a payment method that is not valid for this promotion. Ensure you know which ones are valid and use one of those. Neteller, Skrill, Entropay and PayPal are the ones to ignore.

Don't place an initial bet of over £20.

Remember that this offer has an odds restriction. A bet placed on an odds-on selection with odds of less than 1.5 (1/2) is not valid. Don't place singles or doubles and leave horse racing alone at this stage as it's not valid for this offer.

Also don't cash out your bet or place a system bet, that won't see you receiving anything from this Bwin promotion.

When you get your free bet, don't just use it right away. Take a deep breath, do some research and use the free bet on a selection that has a good chance of being a winner. When you do use it, place a football bet as that is the only sport it can be used on.

## OTHER BONUSES

Once you have received your welcome offer, the good news is that there are lots more promotions on the Bwin sportsbook. There is a whole page dedicated to them.

BetBuilder for NFL and Basketball

You can create your own bets at Bwin with the BetBuilder feature. You can ask for odds in the NFL for example for a team to win and a player to score a touchdown. In basketball, you could request a bet that sees one team win with a player scoring over a certain number of points.

Show Your Colours

Simply tell the site which Premier League or Championship side you follow. Then they will give you offers and content on that team.

Acca Stats

If you bet £10 on four or more football games on Saturday, a £5 free bet will be on its way to you on Sunday. This must be a pre-match bet with at least four selections in an accumulator. It must be placed on the match result market with minimum odds of 1.5 (1/2) per selection. The free bet is valid for three days.

5 Team Acca Insurance

It's so frustrating when one team lets you down in an accumulator and it's often the one you fancied most! At Bwin if you place an accumulator with at least five selections and just one loses, your stake is returned as a free bet up to a maximum of £10.

Best Odds Guaranteed

If you place a bet on a horse before a race and take the odds, there's the possibility it will start the race at a higher price. If this does happen, Bwin will pay you at those higher odds up to a maximum additional payment of £20,000 a day.

Cash Out

This exciting feature allows you to end your bet at a time of your choice. It could be early on in an event or towards the end. It may be that your selection is winning but not dominating the game. If unsure that they will hang on to their lead, you can cash out and receive a pay-out. This won't be as high as if you'd waited for the event to reach its end. However, there will be times when you cash out and your selection doesn't win so you have avoided losing your stake.
