We said BET90 bookmaker liked variety, and there's no clearer evidence of that than in their eclectic selection of sports betting which covers a plethora of different game types and markets. The layout is smart in terms of making it easy for you to place a bet. As soon as you land on the 'Sports Betting' page the bookmaker highlights its greatest asset – soccer betting – with a preview of the biggest games to come, complete with official {img} of top players.

Below this, you'll immediately find live sports betting so that you can quickly get into the heart of the action. It doesn't matter if it's Arsenal v Leicester City or Pakistan Army v Karachi Port Trust – these guys really do cover all types of matches. If you like to bet on niche matches, BET90 will be right up your street.

But it's not all football, football, football at BET90 bookmaker. A huge list of sports is available in the left-hand menu on desktop. As you would expect, the major players are all covered: football, tennis, basketball and so on. But there are lesser known and rarer sports here, too. You can place wagers on chess, badminton, Gaelic football and surfing. Covering events like the WSL Women World Championship of surfing may be irrelevant for a fairly large proportion of players. But even if, like us, you've never heard of it, it still demonstrates that BET90 is thinking outside the box. It's a smart tactic in becoming the go-to for sports that aren't regular.
