What Makes A Great Free Sports Pick?

The short answer to 'what makes a great free sports pick' for many people is...one that wins! In order to find winning expert plays we utilize a strategy of going 'beyond the spread.' This involves taking into account more than just trends and the injury report. For instance, is too much of the public betting on one side? Is there strange line movement, no line movement when there should be or is the wrong team favored? What are some other factors to consider such as the last game of a long MLB or NBA road trip or arriving in town late and playing an early game? There are so many variables that can push a game one way or the other which is why in-depth handicapping of every game is so important.

Another thing to know is that the best betting tips have years and years of experience behind them. Learning how to read lines and to look beyond the spread is a skill and it's one that's usually developed from years of winning – and losing. The goal of our free betting tips is to use our knowledge that we've learned from decades in sports wagering, and pass it on to you to help build your bankroll with our free picks. A fast track way to sports betting success so to speak.

Llamado a una investigación sobre la intervención de la Guardia Civil en Melilla

Human rights campaigners en Marruecos y España han pedido a las autoridades españolas que inicien una investigación después de que apareció un video que parecía mostrar a una patrullera de la policía española acercándose brevemente a una pequeña balsa que transportaba personas hacia la costa de España.

El incidente tuvo lugar el domingo, cuando un bote con cuatro personas se acercaba al enclave semiexclave español de Melilla. El video parecía mostrar a la patrullera más grande y poderosa de la Guardia Civil haciendo varias maniobras antes de deslizarse sobre el pequeño bote neumático Zodiac, haciendo que al menos una persona cayera del pequeño vehículo.

Según los medios españoles, la policía ha dicho que nadie resultó herido o lesionado y agregó que aquellos en el bote más pequeño intentaban ingresar a España de manera irregular.

La Asociación Marroquí de Derechos Humanos dijo que la policía en Marruecos también había confirmado que no hubo muertes relacionadas con el incidente. Dijo en un mensaje en las redes sociales que describió la intervención española como "violenta y peligrosa" que una fuente les había dicho que los cuatro a bordo estaban a salvo y habían sido arrestados.

Agregó en una actualización posterior que los cuatro habían sido entregados a las autoridades marroquíes. "Sin embargo, no se ha abierto ninguna investigación hasta la fecha en el lado español", observó. "Los españoles son totalmente responsables y deben asumir la responsabilidad de abrir una investigación".

El martes, la ONG basada en Melilla Solidary Wheels
