One of the interesting things about TopSport is that unlike most foreign owned Australian bookmakers that have licenses from Northern Territory, TopSport is fully Australian owned and operated, and are licensed to conduct business in New South Wales.

TopSport undoubtedly lives by their motto of “no bet is too big or too small”. They treat punters well and are one of the fairest bookies you’ll find.

Unfortunately, the practices of some corporate bookies in Australia has left a sour taste in the mouths of some punters. Strict limits and outright bans for punters who show an ability to win have become more common.

This is something that could never be levelled at TopSport. TopSport are here for the long-term and want to continue to serve all punters with absolute fairness. As a result, all punters are able to get a bet on to a fair limit at TopSport...there are no bans!

But that’s not to say they offer less value than other bookies. TopSport’s racing fixed odds are extremely competitive, and their offer of Best of the Best Premium on Saturday metro racing – with their trademark high limits – is a huge winner for punters.

All TopSport members also receive Top-Up tokens every day to boost their prices, and earn Loyalty Points with every deposit and bet, which can later be redeemed for free bets.

TopSport’s mobile app, available for Android and iPhone, means you can quickly and easily get your bets on no matter where you are. If you’re a keen punter who loves high prices and high limits – who doesn’t!? – then a TopSport betting account should definitely be in your betting arsenal.

Overall, we at Racenet all enjoy using TopSport to place bets and highly recommend it to anyone who is contemplating signing-up. Below are the specifics of our full TopSport review: Unfortunately, TopSport sign-up bonus bets are no longer available anywhere. Previously, Racenet had offered special TopSport sign up bonus bets, but you have now missed out!
