Six months ago, I grew interested in automation and sports betting. I came across the concept of bettor bots and how they simplify the betting process. Intrigued, I decided to explore the concept further by using a Bet365 bot.

The idea was to create an intuitive interface while ensuring the platform interacted well with a Python script. This would help me place bets automatically, allowing me to monitor, and if needed, tweak them. Investing time in finding the right bot and understanding its intricacies was essential for better performance. With some help from Google searches and an insightful article from [blog.megavig](http://blog.megavig.com), I began my journey.

Keywords: bet365 bot, custom bot for Bet365
