Like Texas Hold'em, the object of Omaha is to make the best possible five-card hand, using a combination of hole cards and five community cards.

In Omaha, however, players are dealt four hole cards, and must make a five-card hand using exactly two hole cards and three community cards. This differs from Texas Hold'em, in which players get two hole cards, and can use any combination of hole cards and community cards to make the best five-card hand.

Two versions of Omaha are commonly played around the world, Pot Limit Omaha and Omaha Hi-Lo (aka Omaha Eight or Better). The next sections will cover Omaha Hi-Lo. Learn how to play Pot Limit Omaha here.

Omaha Hi Lo Rules Overview

Omaha 8, also known as Omaha Eight or Better, or Omaha high low split ('Hi/Lo'), is a split pot game. The best high hand wins half of the pot, and the best low hand wins the other half of the pot.

Games Poki

Poki?

There are no Poki games here! Why? One of the tasks of our site is to provide you with access to high-quality games that can compete with Poki games. All games present in our catalog are free. There are more than 300 thematic categories on our site. The section of 1001 games designed for tablets and smartphones, which also work on desktops, is also growing rapidly. We have collected for you a vast number of games, including all the most famous game series that are updated daily, which are not available on the original Poki website yet. To start with, choose the genre you like, then decide on the game you want to play and launch it right away, without registering and downloading it to your computer.

From Flash to HTML5 available without Poki games

Since people have always enjoyed unwinding and having fun, they have created numerous devices or simply exploited resources that were available to them. That is how things familiar to us were created: balls, skittles – before that they were just stones and sticks. But now we have all these technology and devises, thanks to which the gaming component of everyday life has increased many times.

Since modern browsers have

stopped supporting Flash technology since 2024, games based on this system are gradually leaving web pages. However, there are still some of the most popular toys that work in browsers using special emulators. HTML5 technology significantly expands the possibilities for players. Created using modern developments, HTML5 games can be launched both on desktops and on many other devices of various modifications.

If you're

tired of only seeing Poki games, you've come to the right spot because this website contains a complete section of strange games that everyone can find. You won't ever get bored because our website offers a wide variety of options for the whole library of alternatives to games Poki. In either case, on our portal, you will not have to download and install anything on your desktop, tablet, or smartphone. By opening the page with any game, you can play straight away. This is convenient as no uninstallation is required either, which means that valuable resources on your computer will remain free.

What are the best 1001 games without Poki?

We suggest that you look through the

top 1001 games played by users from all across the globe. Here they are:

New 1001 games

catalog - without Poki games!

Our editors have been working since 2013 compiling the rating of games for you, and many of our regular visitors are constantly sending interesting new materials. You always have such an opportunity! Together we are working on the popularity rating of 1001 games and strive to keep it up to date. The sets of game categories are quite diverse, and the plots of many 1001 games are classified into several genres at the same time, so you can always understand what is most popular and in demand right now. Although we firmly believe that Poki games are worth checking out, there are currently a lot more offers from other game developers. These top 1001 games may not always meet your specific needs, so we suggest you look deeper, scroll through the pages of the game category, and you will definitely find exactly what you are looking for.

The range of Poki games substitutes

Today, in addition to computers, there

are a lot of exciting gaming deals available for tablets and smartphones as well. Every day it becomes more and more difficult to choose because there are so many great 1001 games of various genres available. For searches involving the names of casual gaming genres, the Poki website is typically among the top 3 Google results. While we think Poki games are definitely worth checking out, there are now a lot more deals from other game producers.

Some players might enjoy playing strategic 1001 games, but others would prefer a frantic shooter. We offer challenges for everyone, whether you prefer those that call on you to solve a variety of puzzles and carry out logical activities.

Remember, to work well, you need to rest well. Play with us!
