Soccer club

Íbis Sport Club, or Íbis as they are usually called, are a Brazilian football team from Paulista in Pernambuco state, founded on 15 November 1938. Their home stadium is the Municipal de Paulista. They play in black and red colors. Íbis are one of the founders of the Pernambuco Football Federation.

The club is notorious for

its epithet of the "Worst Team in the World" after a long losing streak in the late 1970s and 1980s.[1] The club has taken this reputation proudly and humorously, using it to promote the club.[1]

History [edit]

Íbis Sport Club were founded on 15 November 1938

by employees of Tecelagem de Seda e Algodão ("Silk and Cotton Weaving Factory"), owned by João Pessoa de Queiroz,[2] and located in Santo Amaro.[3] Initially only employees of that company could play.[2] The club were named Íbis after the African bird.[4]

After the death of João Pessoa de Queiroz, who was the club's owner, his heirs lost interest in the club, then one of the company's managers, Onildo Ramos adopted Íbis.[4] Íbis, under Onildo Ramos administration, started to accept non-employees of Tecelagem de Seda e Algodão as players.[5]

While the Pernambuco Football Federation was founded

on 16 June 1915 as Liga Sportiva Pernambucana, only in 1955 it was renamed to its current name.[6] Íbis is considered by the organization as one of its founders.[7]

Íbis

won the Torneio Início in 1948 and in 1950, and the Torneio Incentivo in 1975 and in 1976.[8] Carlito of Íbis, with 12 goals, was the Campeonato Pernambucano's top goal scorer in 1948.[4] The team are commonly known as the "Worst Team of the World" due to their several defeats in the late 1970s and early 1980s.[5] The club spent three years and eleven months between 1980 and 1984 without winning a game.[8] Íbis were the runners-up of the Campeonato Pernambucano Second Level in 1999,[9] when they were defeated by Central in the final.[10] After celebrating their 70th birthday on 15

November 2008, the club started a project to become a private company, with the help of Portuguese entrepreneur Filipe Fernandes.[11] R\$15 million will be invested in building a training center.[11]

In the late 1970s and early 1980s, Íbis gained worldwide fame for its poor results on the field. Thanks to nine consecutive defeats and then a sequence of 23 games without a win, it achieved national fame. It was three years and eleven months without celebrating a single victory, a record included in the Guinness Book of Records. It became well known to reporters at the time as the worst team in the world.[12][13][14]
