### Luton Town: De la quinta categoría al elite del fútbol inglés

Un anuncio resonó en Kenilworth Road, el hogar oxidado y descascarillado del Luton Town F.C. Al principio, sonaba como el encantador saludo habitual a los invitados del partido de esa noche, el Manchester City. Para el final, sin embargo, la voz del locutor parecía abrumada por algo que sonaba a admiración.

A Luton Town, los fanáticos en las gradas y los jugadores en el campo se les recordó que se enfrentarían a "los campeones de la Copa FA, los campeones de Inglaterra y los campeones de Europa". Parece que a Luton le cuesta creer la compañía que ahora mantiene.

Hay una razón para eso. Quince años atrás, Luton Town había sido relegado a la quinta categoría del fútbol inglés, un mundo distante del poder y el prestigio de la Premier League.

Durante un tiempo, existía un riesgo real de que el club, fundado en 1885, varios años antes de la invención del cierre relámpago, se derrumbara por completo. Durante años después, el dinero siguió siendo escaso, las ambiciones modestas.
