To cater to every player, you

also won't only 2 find one or two live roulette options at our casino. We are home to a diverse collection of games covering 2 the following variations: Standard, London, French Gold, Double Ball, Speed, Auto, Auto (La Partage), Immersive, and VIP Roulette.

Live

Gaming Takes 2 on a Timeless Classic

Roulette is one of the most legendary casino games

around. For hundreds of years, the simple yet 2 exhilarating gameplay has delighted players as they wait to see the final resting point of the ball on the roulette 2 wheel.

Once the game made the jump to the online realm, little changed in terms of how it functions. The 2 saying, 'If it ain't broke, don't fix it,' comes to mind.

This logic has

been utilised for live roulette. The standard 2 game remains exactly the same as standard online roulette. The only differences you'll find in terms of gameplay are based 2 on the roulette variation you choose. With that said, there are two games at 32Red that provide a fresh, exciting 2 twist to the action: Speed Roulette and Double Ball Roulette.

As the name suggests, Speed Roulette is the game of choice 2 for those who seek a more instant live roulette experience. Standard roulette tables typically take about a minute for a 2 single spin. Speed Roulette shortens this down to around 25 seconds. Furthermore, it isn't stop-start in nature as you wait 2 for players to make their bets between rounds. All bets are taken during the spin!

Double Ball Roulette is another

that 2 is self-explanatory based on its name. This game throws in even more unpredictability to proceedings as two balls dance around 2 the roulette wheel. The addition of an extra ball also opens up new betting options, where if the two balls

2 land on the same number in a single round, you could stand to win at odds of 1,300/1!

The VIP Experience

You don't have to visit a land-based casino to receive a VIP experience. This is something you can enjoy right here at 32Red! We offer two extra special live VIP roulette tables, giving you the opportunity to sample the best online gaming experience around.

For high-stake, high-limit players that want to experience this special online space with unparalleled service, we have both VIP and Auto VIP Roulette games available. This is the traditional game of roulette at its finest!

The

Added Immersion of Live Roulette

Ever since it made the journey to the online gaming realm, roulette has thrilled and delighted casino players. With live roulette, however, the action jumps up another notch or two. No longer are you playing in an isolated setting with computerised roulette software. Now you are playing in real-time, with a real-life dealer, and with all of the action streamed live directly to your desktop or mobile.

You won't miss a single second of the action. Along with being broadcast in HD, the slow motion and replay features ensure you see the ball dance around the roulette wheel with greater clarity than ever before!

The professional dealer at each live

roulette table helps to keep the games running nice and smooth. They're also not just there to describe the action, spin the wheel, and release the ball. The dealers are ready to chat and offer assistance when required. Simply type out your message in the live chat box, and they'll respond, whether you want an explanation for the betting odds on a certain selection or to revel in a win.

The ability to seamlessly play

live roulette on your mobile device is imperative for us folks at 32Red. This is why we go to great lengths to showcase titles that work perfectly on smartphones and tablets. By doing this, it gives our players the freedom to enjoy live roulette wherever they go. Resting in bed, waiting for a train to arrive, sitting on a beach – all you require is a suitable device and internet connection to play live!

When it comes to live games,

it's realistic to feel they won't be available round the clock. After all, a live dealer has to be available at all times. Well, there's no need to worry: every live roulette title at 32Red is available 24/7. As a result, there are no restrictions on when you can place your bets and watch that little ball bounce around the roulette wheel.

Along with being able to receive assistance from our roulette game's dealers, you can send enquiries and concerns to the award-winning 32Red customer support team. We are here to ensure you have the best possible experience when playing our roulette titles. So if you are having any issues, no matter how big or small, use the live chat function to send a message. A member of the dedicated support team will be ready to help.
