In poker, a freeroll tournament is a tournament with no entry fee, and a freeroll hand is where a player is guaranteed to at least split the pot with his opponent, with a chance they can win the whole pot if certain final cards are dealt.

[series pokerstars](#)

A hand in which a player is guaranteed to at least split the pot with his/her opponent, with a chance to win the pot outright. For example, if you have A♠ A♣ and your opponent has A♥ A♠, and the board comes 8♠ 9♠ 2♠ Q♠, you're freerolling the ability to win the whole pot with a made flush if a spade hits on the river.

I'll take your money with no regrets. — Alice Ivers Tubbs

(image via Denver Public Library)

Some time in the 1870s, Alice met her first husband Frank, a mining engineer and amateur poker player. The young couple moved to Colorado, and Alice immediately took to frontier life. Frank taught her how to play cards, and soon Alice was trading in on her talent. While her husband worked in the silver mines, she made friends in the saloons and gambling parlors.

When Frank died in a dynamite explosion, Alice had to find a way to make money. She turned her poker habit into a full-time job, clearing out visiting players and working as a dealer in local gambling houses. She eventually moved to Leadville, another booming mine town, to make a new life as a poker player.

From

there, Alice moved from boom town to boom town, building her reputation as a cigar-smoking, poker-playing hustler. She met her second husband Warren in the midst of a saloon brawl, and she temporarily gave up the gambling life to move with him to a small cabin, where they raised their four children. After Warren's death in 1910, however, she struggled to find the money for a decent burial. Eventually, she pawned her wedding ring and returned to the poker table to make ends meet.

In 1910, she opened

her own place, "Poker Palace," in the San Juan Mountains. Rumor had it she married her third husband to settle a poker debt, and other gossip (true or false, historians don't know) had her arrested for bootlegging, manslaughter and even operating a brothel in the upstairs of her now-legendary establishment.

Even after her third husband's death, Alice couldn't stay away from the poker table. She played alongside Wild West legends like Jesse James and Calamity Jane, and at times her winnings came to thousands of dollars. Alice later faced a small stint in prison for her involvement in a Poker Palace murder. The governor eventually pardoned her, citing her old age, but in return he demanded she retire from the gambling life. But Alice continued playing poker, even into her supposed "retirement." Before she died in 1930, she claimed she won one of the biggest sums of her career: R\$250,000, which would've amounted to more than R\$3 million in today's dollars.

Ministro de Relaciones Exteriores de Jordania Visita Irán en un Esfuerzo Desesperado por Evitar un Ataque a Israel

5 El ministro de Relaciones Exteriores de Jordania, Ayman Safadi, ha realizado una visita poco frecuente a Irán en un 5 último intento de persuadirlo de que se abstenga de atacar a Israel en respuesta al asesinato del líder político de 5 Hamas, Ismail Haniyeh, en Teherán la semana pasada.

El aliado occidental con una gran población 5 palestina se enfrenta a un difícil equilibrio mientras enfrenta llamados internos para romper relaciones con Tel Aviv y dejar de 5 protegerlo después de derribar misiles iraníes dirigidos a Israel a principios de este año.

La 5 visita parece condenada al fracaso, ya que Irán insistió el domingo en que no hay espacio para el compromiso y 5 que dará una respuesta decisiva al asesinato.

En el ataque iraní anterior a Israel en 5 abril, Jordania derribó algunos misiles iraníes que volaban sobre su espacio aéreo, insistiendo en que no permitiría que su país 5 se convirtiera en un campo de batalla para otros conflictos. También dio permiso a la marina francesa para desplegar

radares. 5

Sin embargo, el reino también se enfrenta a manifestaciones masivas en apoyo de Gaza y 5 está furioso con el primer ministro israelí, Benjamin Netanyahu, por asesinar a Haniyeh en lo que ha condenado como "un 5 crimen escalatorio y una violación flagrante de la ley internacional". Israel se ha negado a comentar oficialmente sobre el asesinato 5 de Haniyeh, pero su participación es ampliamente reconocida.

Más de la Mitad de la Población Jordana es Palestina o 5 de Ascendencia Palestina

Irán insiste en que el asesinato ha cruzado demasiadas líneas rojas y está llamando 5 a una reunión de la Organización de Cooperación Islámica (OIC), en la que Teherán presionaría a los estados del Golfo 5 Árabe, incluidos Arabia Saudita y los Emiratos Árabes Unidos, para que adopten sanciones contra Israel.

5 La visita de Safadi a Irán es la primera de un ministro de Relaciones Exteriores jordano en dos décadas y 5 refleja el fracaso de una llamada telefónica entre las dos partes para encontrar una solución diplomática.

5 Sus condenas al tratamiento de Israel a los palestinos han sido sorprendentemente vívidas en los últimos meses. "El gobierno 5 israelí actúa de una manera que refleja su racismo, extremismo y rechazo del derecho de los palestinos a vivir como 5 cualquier otro pueblo en esta Tierra", dijo recientemente. Pero Jordania depende en gran medida de EE. UU. para su seguridad 5 y se unirá nuevamente a la alianza de abril para minimizar el impacto de cualquier asalto iraní.

5 También se está llevando a cabo un animado debate en Teherán entre diplomáticos y políticos retirados sobre cómo 5 responder de una manera que no juegue en manos de Netanyahu. La decisión final recae en el líder supremo, el 5 ayatolá Ali Khamenei, y el consejo dado por el Cuerpo de la Guardia Revolucionaria Islámica (IRGC).

5 La mayoría de los comentarios en Teherán asumen que el ataque de Netanyahu estaba diseñado para socavar al nuevo 5 gobierno del líder reformista Masoud Pezeshkian y su deseo de explorar relaciones más ``python``
