What Is Speedway?

Popular in continental Europe and the UK, speedway is one of the most exhilarating motorsports you can watch & bet on.

The motorcycle sport involves adrenaline junkies negotiating flat oval dirt tracks in an anti-clockwise direction on single-gear bikes, & which can go from nought to 60 mph in just 2.3 seconds. Riders take advantage of the dirt surface by & sliding their bikes sideways into the bends using a method known as broadsiding, helping them to maintain momentum and power & down the straight sections of the track.

### Speedway Races

Speedway races (also known as heats) are four laps long, with two teams & of two riders competing for pole position. Some races feature six riders, but this is rare as most modern speedway & tracks are too narrow to accommodate the additional riders safely.

Home team riders wear red and blue helmets, while visiting riders & wear white and yellow/black helmets. The starting area is split into a grid of four equal sections, with riders from & each team taking their place in alternate grids.

Helmet colours determine where each rider starts on the grid. Red starts from & gate one, blue starts from gate two, white starts from gate three, and yellow/black starts from gate four. When the & race begins, the riders must complete four laps of the track without both wheels illegally leaving the track boundaries.

### Speedway Scoring & System

Before you start betting on speedway events, it's important to understand how the scoring system works. Speedway uses a 3-2-1-0 & scoring method, which works as follows for each race:

First Place – 3 points

– 3 points Second Place – 2 points

– 2 points Third Place – 1 point

– 1 point Fourth Place – 0 points

These points accumulate over the meeting, with & riders scoring points towards individual or team placings. In the event of a tie, the race is declared a dead & heat. If it's a tie for first place, both riders receive two points. A tie for second place earns each & rider one point, and riders don't score any points if it's a joint-last finish.
