Online football is as big a favorite sport amongst online gamers as the real game played globally on every patch of available turf possible, only with the bonus of being in the comfort of your own home. Playing games online is the perfect way for children, and adults alike, to feel included and accepted, and they are not restricted by age, ability, or other factors that would otherwise deem them unsuitable to participate. And this is why this is such a big experience children should be given the opportunity to do where possible.

There are plenty of gaming sites where children can play online

games and try different categories of gameplay or characters, and you don't need to solely rely on Poki online games but so many others readily available, and free to play, so you can enjoy thousands of game genres with new ones added frequently. The online gaming industry shows no signs of slowing down, and for good reason too.

The  
perks of being an online gamer

While online soccer is at the forefront of the top games played online, it offers many benefits to individuals taking part in the action. Other than showing your support for your favorite teams, players, or gaming influencers by wearing their bespoke merchandise such as hoodies and t-shirts, but also embracing their energy and enthusiasm for the game through posters to hang in your room and toy replicas of the games, there is something for everyone to be a part of the soccer movement.

Playing online, for many children specifically, is the perfect way for them to relax and be their true selves. They can be part of the social crowd judgment-free, and refine their skills in the game to become a household name. Playing online soccer, or any online game whether it be for boys or girls, or both, or as a tournament, has a positive effect on our up-and-coming generation. Sites that offer online games for children are ever-evolving, and being part of the technological advances will only work in their favor, here are the top 5 reasons how;

#### €€€€€€€€ Social

Multiplayer games and team sports are the epitome of why children play online games, they want to feel accepted, and online this are effortless when compared to real-life settings. Children can build friendships and social status with people all over the globe from the comfort of their homes, or even when traveling, simply log on and play against your friends from anywhere in the world.

#### €€€€€€€€ Concentration

You may not think it but the level of concentration needed to play online games is immense. Children playing online games like soccer need to be able to focus for long periods while making split-second decisions on where and how to pass a football, or which team players to use in-game modes. Concentrating during online games could be the difference between being taken down by an opponent or coming out victorious, a great skill acquired through plenty of online gameplay.

#### €€€€€€€€ Analytical

Solving tactical situations and thinking on your feet is part of the online gaming experience. The puzzles or team set-ups require problem-solving skills that are significantly refined as they continue to play. Their cognitive function is enhanced and they find solutions quicker than usual.

#### €€€€€€€€

#### Educational

Immersing yourself in a game mode played in a land that is from another country is a great way to better understand another part of the world otherwise not known. Players can learn about the traditions of different cultures, rich history, and how they overcame battles and environmental factors in specific events.

#### €€€€€€€€

#### Relaxation

School life and work life can be hectic for many of us, and finding a way to escape from the overwhelming deadlines or endless paperwork and tasks is a must for taking time to unwind and relax, playing online games is the perfect way to get away from it all. Many children do well to relax and take their minds off the stresses of school by escaping to other dimensions in the gaming world.

Could online soccer be the future?

Many gamers these days are making a name for themselves with the online community and in doing so are creating a following of other soccer enthusiasts who too are immersing themselves in the world of online games. As we have seen the many benefits that online gaming has for children, it could well be the solution that educators and parents alike have been looking for as a means of an outlet for children.

And it is a great mood-boosting option for when we could all use a silver lining in our darker days. Win-win.

### **A Vivid and Enigmatic Exploration of Humanity and Fear: "A Besta"**

A Besta, dirigida por Bertrand Bonello, 0 presenta una mirada única y ambiciosa sobre el tema de la inteligencia artificial y su impacto en la humanidad. A 0 través de una historia de amor condenada, miedos subconscientes y simbolismos de palomas, Bonello ofrece una perspectiva fresca y original 0 sobre un tema que ha sido ampliamente explorado en el cine recientemente. La película, que 0 cuenta con Léa Seydoux en un papel central, sigue a la enigmática Gabrielle Monnier en tres momentos distintos de la 0 historia: una famosa pianista y belleza de la sociedad en París, 1910; una aspirante a modelo y actor en Los 0 Ángeles en 2014; y una mujer que vive en una sociedad controlada por la IA en 2044, donde ser completamente 0 humano implica ser una entidad de menor rango en un mundo que aspira a ser desapasionado, sin emociones y lo 0 más cercano posible a la perfección de la máquina.

#### **El miedo como monstruo omnipresente**

Si hay 0 un monstruo escondido en las sombras de estas tres historias entrelazadas, es el miedo paralizante que impide que cada versión 0 de Gabrielle y Louis acepte y viva su verdad. A medida que la película avanza, queda claro que el miedo 0 es el verdadero antagonista, ya que socava las relaciones y crea un mundo donde las emociones se han vuelto obsoletas. 0

## Una mirada a los temas y elementos recurrentes

A lo largo de la película, ciertos temas y elementos se vuelven aparentes. El más notable es la paloma, que representa una muerte inminente en el hogar, según un adivino. Las muñecas también son un motivo recurrente, desde las figuras de celuloide inflamables de 1910 hasta Kelly, una muñeca androide acompañante de Gabrielle en 2044. Sin embargo, el elemento más destacado es un hombre llamado Louis Lewanski, interpretado por George MacKay, quien actúa en francés e inglés con acentos británicos y estadounidenses.

A medida que la película avanza, el espectador es llevado a través de los diferentes momentos en la vida de Gabrielle y Louis, con el miedo como una fuerza constante que impide que sus relaciones prosperen. La habilidad de Bonello para entrelazar estas historias y presentar un retrato complejo de la humanidad y el miedo es verdaderamente impresionante.
