Betfair CASINO exigirá que você instale um detector de localização unibet24 unibet24 seu navegador para verificar se você está unibet24 unibet24 Novo. Jersey.

Celestial Poker / Sviten Special

Introduction

This Poker variant is a cross between

Five-card Draw and Omaha. Players are dealt five cards 8 each, and a there are five face up shared cards on the table. After the first three shared cards (known 8 as the flop) have been dealt, players can discard some of their hand cards and obtain replacements. The pot is 8 split between the best five-card hand and the best Omaha hand. This mixture of games guarantees action and is normally 8 played quite aggressively.

As reported by

Jonas Uebel, this game has become very popular in the Nordic countries under the name 8 Sviten Special, and is widely believed to have originated in 2004 in Anders Bengtsson's legendary Sviten poker club in Stockholm, 8 as described for example on this festival page. However I am told by Sebastián that an identical game was played 8 in French Canada in the 1980's where it was known as Celestial Poker (or in French, Céleste). The 'festival page' 8 article also mentions that a similar game is played in the USA under the rather clumsy name 'Drawmaha'. It may 8 well be that over the course of a quarter century or more this same idea has arisen independently in several 8 widely separated places.

Players, Cards and Stakes

A standard international 52-card deck is used. The optimum number of players is 5 or 8 6. It is possible for up to 9 to play, but then you often have to recycle cards discarded by 8 the earlier players to be drawn by others.

Players agree the size of the small and big blinds, and the betting 8 limits. Sviten Special is preferably, and in its original format, played as pot limit.

Deal and

## Betting

As in any form of 8 poker, the cards are shuffled and cut. The structure when it comes to blinds, order of betting and the way 8 the communal cards are dealt are identical to ordinary Texas Hold'em and Omaha.

The player to the dealer's left places the 8 small blind and the player to the small blind's left places the big blind. The dealer then deals five cards 8 to each player, and there is a betting round, beginning with the player to the left of the big blind.

The 8 dealer then burns one card and deals a three-card flop face up to the table. There is a second round 8 of betting in which the player to the left of the dealer acts first.

After the second betting round, each player 8 can discard any number of cards - from zero to five - and receives an equal number of replacement cards 8 from the dealer, as in five card draw poker. If the deck runs out at this point the muck (consisting 8 of earlier players' discards, the burn card, and the cards of any players who folded in the first betting round) 8 is shuffled to form a new deck from which to deal replacement cards to the later players.

The dealer burns one 8 card and deals one card (the turn card) face up to the table. There is a third round of betting 8 beginning with the player to the left of the dealer.

Finally the dealer deals a fifth face up card (the river) 8 to the table, and there is a fourth round of betting beginning with the player to the left of the 8 dealer.

## The Showdown

If any betting round results in all players but one folding, the last surviving player immediately takes the pot 8 without showing any cards, and this ends the hand.

If more than one player survives the final round of betting, all 8 surviving players show their cards, and the pot is split between:

The best five-card poker hand (considering only the five cards 8 held by the player)

The best Omaha hand, formed of exactly two of the player's cards and exactly three of the 8 face up cards on the table.

Normal poker hand ranking applies. It is of course possible for the same player to 8 win on both criteria, and take the whole pot. However, it is common for the pot to be split.

## Variations

A popular 8 variation of Sviten Special allows an extra possibility when exchanging cards. If you decide to exchange only one card, you 8 can ask the dealer to give you a replacement card face up. You can either accept this card, which everyone 8 has seen, or reject it and ask the dealer to deal you another card face down, which you must then 8 accept.

Sebasti3n describes three versions of the one-card exchange rule played in Celestial Poker in Canada:

The player simply receives one replacement 8 card that is not shown to the other players and has to accept it - i.e. the same as when 8 exchanging two or more cards. This is rarely played. The player is dealt one card face up, which they can 8 reject and take a face-down card in its place, the same as in the Sviten Special variant above. The player 8 is dealt two cards face down, keeps one of them without showing it, and discards the rejected card face up. 8 This third version is the most popular.

Sviten Special is most popular to play as pot limit and in cash games.

8 However, there have been successful tournaments of Sviten Special and even some players that like to play it as no 8 limit (but then the game tends to become quite crazy).

Communist Pot is a Celestial Poker variation in which everyone at 8 the table has to place an ante of 5x the big blind. There is no betting round after the first 8 5 cards are dealt: the dealer immediately deals the three-card flop. The game then continues in the normal way.

There are 8 several Roll Your Own versions of Celestial Poker. The most usual is for each player to reveal one of their 8 five cards when the turn card has been dealt, before the third betting round, and a second when the river 8 card has been dealt, before the final betting round.
