bring a slight twist to the usual gameplay. Some of our favourites include Casino

Roulette, Lightning Roulette, 20p Roulette, European Roulette and Roulette x5.

All you

need to do is sign up with us at Grosvenor Casinos and you can enjoy the best roulette games you'll find online.

How to Play Online Roulette

The popularity of roulette, both

in-casino and online, is partly to do with how simple it is to learn how to play. For

first time players, the rules are fairly simple: pick a number or colour, place your

bet, and spin the roulette wheel. After the wheel has been spun and comes to a stop, winnings will be paid based on which pocket the ball lands in.

Now, let's dive a bit

deeper. In roulette, players can make both "inside" and "outside" bets. For example, when you place a bet on a single number it's considered an inside bet. Outside bets are based on a broader category of numbers, including column bets, dozen bets, the colour of the number (red/black), and whether the number will be high/low or odd/even.

When

the number ranges from 1 to 10 and 19 to 28, the odd numbers are red, and even numbers are black. In ranges from 11 to 18 and 29 to 36, odd numbers are black, even numbers are red. The 0 pocket in the wheel is always green.

Just before the ball slows to drop

into one of the pockets on the roulette wheel, the dealer will call to indicate that no more bets are possible. In online roulette, a message will be shown on the screen. This signifies that all betting on the table must stop. Once the ball drops, the winning number, colour and odd/even is declared. In a casino, a "dolly" is placed in the betting area – also known as the "layout" – on top of the winning number.

Payouts will

be made to all the winning players. It's strictly prohibited to touch the chips on the roulette table from the moment "no more bets" has been called until the final payout has been made. In the online version of the game, this process happens almost instantly, and betting can begin again.

Over time, you'll see that outside bets present

better odds of winning but typically yield a lower payout. Inside bets have a much lower chance of winning, but the payout is greater if you do.

Types of Roulette

Bets

Roulette in essence is a simple game. You place your bet on the roulette table, the croupier spins the roulette wheel, and you see if your bet has come in. If it has, you win.

But it isn't always that simple. The type of bet you make impacts your chances of winning and how much you win if you do. You can make the following different roulette bets.

Inside Roulette Bets

These kinds of bets are where you bet on the inside of the roulette table. They offer a higher payout with a lower chance of winning.

Inside bets include:

Single Number Bets - Also known as Straight-up or Classic Bets.

Players can wager on any individual number.

Split Bets - Made on any two numbers that are adjacent to the table.

Street Bets – Made on any row of three numbers on the table.

Corner Bets – Also known as Square Bets. This bet is made on a square of four numbers on the roulette table.

Six Line Bets – This bet is made across two lines of three numbers each, for a six-number total.

Outside Roulette Bets

With an outside bet,

you place your chips outside the area where the numbers are on the table. Outside bets

are easier to win, but payout less. If you're a beginner, it's a good idea to start with an outside bet with online roulette. Outside bets include:

Dozen Bets – These bets

cover one of three groups of 12 numbers.

Odd and Even Bets – These bets cover all odd

numbers or even numbers. If any number of your chosen type wins, this bet will payout.

Red and Black Bets – These bets cover all numbers that have pockets of the same colour on the roulette wheel. If any number of that colour lands, this bet will payout.

1-18 and 19-36 – These two bets cover all numbers in their respective ranges.

If any number in that set range lands, the bet will payout.

These bets will vary

between European and American roulette rules, as both games offer some unique betting options.

Roulette Call Bets

Called bets in roulette are a little more complicated, and involve betting on a section of the wheel. They include:

Voisins du Zero (Neighbours of

Zero): A bet on the numbers around zero, between and including black 22 and red 25 with the green 0 roughly in the middle.

Jeu Zero (Zero): A bet that covers the numbers in

between and including black 15 and red 12.

Le Tiers du Cylindre (Third of the Wheel):

This bet covers one third of the wheel exactly and runs from black 33 to red 27.

Orphelins (Orphans): This bet covers the eight numbers that aren't included in either a Neighbours of Zero or Third of the Wheel bet.

Finale (Final Bets): Straight

bets on numbers that end with a specific digit. For example, 1, 11, 21, 31.

Online

Roulette Game Payouts

Knowing how roulette pays out is important if you want to make

the most of your bets. Payouts in roulette are calculated based on odds. These

calculations will differ between European and American roulette games. The examples

below apply to European rules:

0 = 35 to 1

Straight Up = 35 to 1

Split = 17 to 1

Street

= 11 to 1

Corner = 8 to 1

Top Line = 8 to 1

Six Line = 5 to 1

1st Column = 2 to 1

2nd

Column = 2 to 1

3rd Column = 2 to 1

Dozens = 2 to 1

Odd = 1 to 1

Even = 1 to 1

Red = 1

to 1

Black = 1 to 1

1-18 = 1 to 1

19-36 = 1 to 1

Register to Play Roulette Online

Ready

to play online roulette games with us at Grosvenor Casinos? All you need to do is follow these simple steps to start your membership:

Click on the Sign-Up button in the

top-right corner of this page. If you've played at one of our Grosvenor Casinos venues, you can simply log in using the details you've already given us. If not, you can register as a new player.

Once your account is set up, you'll find some great welcome offers that you can take advantage of when you make your first deposit.

Having become a

member, simply head to our online roulette page and choose your roulette game of choice.

Start the game and place your roulette bet.

You can also use the tabs at the

top of the screen to browse our extensive selection of online games.

If you want to

enjoy the very best online roulette games, don't delay and get signed up to Grosvenor Casinos today.

For the full in-casino experience, simply register to become a Grosvenor

Casinos member and visit your local Grosvenor Casino. Once you're a member, you can take advantage of a variety of perks and useful options to make your gameplay more entertaining and comfortable!

Online Roulette FAQs

What is the Best Online Roulette Strategy?

Sometimes betting on roulette isn't just as simple as a pick between red or black or odd or even. There are a number of roulette strategies that can help your betting. Top ones include:

The Martingale System: With this system you increase your bets each time you lose, so when you eventually win you get your money back. The easiest way to implement the system is to bet on even-money outside bets, such as red or black, odd or even, 1-18 or 19-36. The system is logical and easy to implement, but you're effectively betting big to win small as you're concentrating on bets with the smallest pay outs.

D'Alembert System: With this system, you increase your bet by one unit if you lose and decrease it by one unit if you win. If you lose your first £1 bet, you would then increase it to £2, then £3 if you lose again and so on. Say you finally win on your £4 bet, you would then decrease your next bet by one unit down to £3.

The

Fibonacci System: This involves betting in line with the numbers in a specific sequence. The next bet involves adding the last two bets together to get the amount of your stake. The sequence looks like this: 1 – 1 – 2 – 3 – 5 – 8 – 13 – 21 – 34 – 55 – 89 – 144 – 233 – 377 – 610 – 987.

When you first start out playing roulette, you might be tempted to get into betting strategies and systems. We recommend first getting to grips with your chosen game and understanding the ins and outs of roulette before over-complicating things with betting strategies. You can learn more about how to play roulette with our helpful guide.

What is the Difference Between Live Roulette and

Online Roulette?

Online roulette games involve an RNG (Random Number Generator) that determines the outcome of every spin. It is completely random and can't be predicted. When you play online roulette, the roulette wheel, table and dealer will all be created in the game and will be replicated to mimic what you see in the casino, but it isn't a real casino. You can play a wide range of online roulette games at Grosvenor Casinos – all you need to do is sign up and create an account with us.

Live Roulette Games on the

other hand are streamed live to your phone, tablet or desktop. They are streamed from real casinos and studios, and involve real dealers and roulette wheels. It brings you a more realistic feeling and immersive gameplay compared to the classic online roulette games. At Grosvenor Casinos, you can even play Live Roulette streamed from some of our casinos, including Victoria Casino in London.

What is the Safest Bet in

Roulette?

Outside bets are often the safest bets to make in roulette as they cover a significant amount of the possible outcomes. For example, if you bet on red, you're covering half of the numbers the ball could land on. With outside bets, however, your chances of winning are higher but your payout will be less. A bet on red will pay out 1:1.

Anne Hathaway revela que en la década de 2000, productores en una película en la que participaba requerían que besara a una serie de posibles co-estrellas

En una entrevista con V Magazine, la actriz dijo que en la década de 2000, "se consideraba normal pedirle a un actor que besara a otros actores para probar su química. Lo cual es realmente la peor manera de hacerlo."

Continuó: "Me dijeron, 'Vamos a tener a 10 chicos hoy y tú estás seleccionada. ¿No estás emocionada por besar a todos ellos?' Y pensé, '¿Hay algo mal conmigo?' Porque no estaba emocionada. Pensé que sonaba asqueroso."

Hathaway, quien ganó un Oscar por su papel en Les Misérables y próximamente se verá en la comedia romántica The Idea of You, dijo que accedió a la solicitud.

"Y era tan joven y terriblemente consciente de lo fácil que era perder todo siendo etiquetada como 'difícil', así que simplemente fingí que estaba entusiasmada y seguí con ello. No fue un juego de poder, nadie intentaba ser malo o hacerme daño. Simplemente fue una época diferente y ahora sabemos mejor."

Ahora, Hathaway ingenia pruebas de química de manera diferente

Hathaway, quien también actúa como productora en su nueva película, sobre la relación entre una madre soltera y una estrella de una banda juvenil interpretada por Nicholas Galitzine, dijo que ahora ingenia tales pruebas de manera diferente.

"Les pedimos a cada uno de los actores que vinieran a que eligieran una canción que creyeran que su personaje amaría, que pondrían para hacer que mi personaje bailara, y luego haríamos una pequeña improvisación."

"Yo estaba sentada en una silla como si hubiéramos regresado de la cena o una caminata o algo así, presionábamos play y simplemente comenzábamos a bailar juntos."
