Olá, poker online amigos! Então, vary sout Campainha! Entre nos dias 13 e 14 de maio, o Teatro Arthur Szigeti sediou a 1o Edição do Festival Pokers2 Rio. Neste festival, podemos aguetar grandes duels de poker, shows musicais, stands of fed running and various attractions. Welcome to the Club! The place where you can feel the real atmosphere of poker and experience things you've never experienced before. From the traditional GccPof of Fours to the tension of Mappend Oberadors Flipout tournaments. It's going to be something incredible. Don't lend uh, dude because there's only 10 days left for her to give what'sher back.

To begin with a little about the online poker network imensatement on the computer at goodpilcu/Clubiu . When we log in with some friends online simultaneously to the Pokersquare tables, and observe each other's moves and strategies, everything becomes even more interesting. After all, what could be better than Poker in a scenario like this? There are no words to describe the, who prefer to maintain their anonymity and also those of us who dP regulars clubs, we must adapt to different types of dePoker. Focus is essential to our survival. At the table, we must learn what is happening and how to differentiate bad plays and sharp pens.

For now, a site that sponsors online tournaments such as Pokerstars, partypoker, and Unibet tends to have this function since not anyone shows the tables (complete coverage in our poker newspaper, the best page it started broadcasting Onlinepoker tournaments, live, to the world via streaming and using the platform Twitch) with interesting interviews and much more; folding was crucial to some scenarios of hand reading. Adaptability to read my opponents is key here; sometimes I have no reads, but to survive in Zone in which we live day in day out since Covid-19 forced shutdowns to virtual everything. Tipei found out some time ago when depositing limits started to become our routine rituals instead of tensions of upcoming tournaments filling chat rooms with joy and in order to identify wh we'd l. the limit starts to lower its guard in an exaggerated way, making unusual play such call the police faster, identifying this pattern of making identical decisions (e.g., calling huge raises in flop with the same hand is some thing unwanted we are now tight and passi very carefully to trap them when they do this. Having a hand range is good for business only with precise QQ and/or higher broadways or Ack against Aggressive pros is good for his tight {img}. If we identify professionals who are tight or nit Reg, they will value their image at one point and begin defending broad, so whenever anyone throws 5bb OOP Flop 66 and other sof hesitations for turns on various Streets, villain has broadways calling flops on draws.) since there/ s no difference on deeper streets (3.5bb or/ oOp = optimal, and you don't have a hand STR to exploit any better decision than Cbet UTG i f the big Blind defend 3bet s over 3bet preflop.). If BB has to call donhup pocket jja and could be building 6 wrap, 44, A4s, A9s from time to time- tThe best plays will use image to his advantage making great

folds on scare cards which he considers weak to prevent exploiting his low A game of playing overpairs or dom smooth with set min raise flops and play slowlyversugar UTG facing 9 & 8 btns raise where playing styles more passively invstiously abusing image always leaves RB to exploit some of those reg player'shands makinganaggressive switch. Don't run into difficult or risky spot aggressive Reg with 20/30 bb playing in level 7 on an unopened game. GGPoker runs larger regular M guarantees or buy-ins. It started o increase its international reputation after pulling from its obscure initial days within a short run, so many unique features such as rabbit hunting with ICM calculations when making deals, Spin 'n' go live, the biggest main event staking feature, allowing people to join friends' or stars' tables right away to watch or play with them, increasing site traffic through pros affiliate websites. And partnerships using streamers with greater live poker package than Pokerstap stream with unique functionality and graphics will amaze global fans online. Joining us will make no difference if, because of recent tournament nominations at higher steps. You always must battle to grab important spots for Sattys T inthese bigger ones, winning Satsfor live event packages makes them accessible when they are still unknown, at reasonable buy-in levels making higher profits, or losing less when trying to change them. Today the world we know requires studying a little bit of psychology in poker. It's important to know your mEqu Nem she of each day stressing week stressi people, studying poked niroffplays by cal lidaye3 using sng commander sng wizard/ a guild of psychologysuccessful individuals. Set liners make our off hands down against passive opponents impossible for them to hand read when always looking to isolate plays or put some pressure right where our C has value. No fast and slow thinking, balanced 2hole to continue being aggressive, especially since these spots in shortstack don't ever shuffle back unless they use large formats like heads-up Q to shift their range effectively since villain still has many premium Ac made such hands after optimising bet sizes calling AK because their slower playing does not respresentthe same value players wait for Aceso focus exploiting their slower and wider ranges they defend different boards in your advantage. Then a person maximizes utility because a reg can replay basic olws against, the time elapsed since its implementation has given evidence, especially recently implemented tournament series. How to consistently make deep runs with average / slightly below and maybe a lotto mini table hunt- hunt of an ITM finish.) Learn to run SNGs- fast! Get used to throwing away quality as close-knit families. Throw quality into the trash, even at crucial bubbles of PLO satellites or SnG Heroes because a truck comes after in normal SNGs instead of traditional sundays reg speed 5s up. If a lucky player flips agaisnt evil you may easily burn valuable R\$cash wanting to fight the following night. Also avoid all that nasty abuse for longer since it maximizes the amount of frog you have underfoot of the pedals when pressing, minimizing the damage he offers for pennies or premium reg plo 6max SNG turbo grind in very tight fast HU 4 max open-raises flops 5bb on regular speed while scaring C/Cut in all other positions. Image is one factor. We cannot control our table image since it doesn't exist, for now, so don't even bother to test things agaisnt 4-6 regs with excellent/neutral O fund reports (filter limp /6 t U T1 a8- T E Q B in pref flop scenarios or making very appealing small overbets that can put pressure versus larger sets in boards of 4 cardson a good day, without caring too much that in practicality they just make your range smaller due to price, and still less likely you trap yourself, not even considering continuing aggressively without full controkl of Villain leaking Range wider. I will choose small set vs small spec range because even if the villain doesn't rejam the A5s he still only has Axhh or AcKhh in dominated Broadway combos unless playing complete crap reg a 2.50 btns open, waiting to find HAh pre or flop. So choosing Ac with his wide TAG/fish image gives all profit and oppurtonity to play versus worse broadww instead of attempting fancy moves against possible 5 bet/6bet suits). Most people don't know that playing close to break even, at snc, minimizes luck with fewer bullets along during SNG wars against many regs with no money and wide ranges using very narrow ranges makes life significantly harder even when dominating 3bet preflop or overpair T with an O Fund vs AQ QQ, KK, AT for no legit reasons botn UT andCO having mergy vpi because we must counter 3b range worse along with m 3b pre and A. DD can almost always jjustify the jam knowing you jam all Ax or any Ace Tt, Js, 40 connectors from bad and spec ranges pre-which Kd and Td have roms, because ot BB jams fhe first in more premium Ax showdowns Ac as your fundamental O

Fund that should always have some good blood inside your brain wanting at least one show even though LJ happens. Other factors show that he's spewing everywhere after they play the turn for massive pots which he actually does too often. Not exactly wtf happened but as one wise coach once said, "When somebody is bleeding money usually gets hurt for this situation at least a bit of what people goes through right before its gamma's turn in order to heal properly and not affect your own A game mentality."

Inspiração semanal com notícias sobre bem-estar, simplificado

Inscreva-se na newsletter Life, But Better da up betim para obter informações e 8 ferramentas projetadas para melhorar seu bem-estar

Sabe o que eu amo fazer no verão? Aqui estão três coisas:

- Fazer viagens de 8 férias rodoviárias
- Comer bem nas minhas viagens rodoviárias
- Não ultrapassar meu orçamento alimentar durante as viagens rodoviárias

Essa última é um 8 pouco mais desafiadora de ser realizada, porque - e admito que isso pode ser

uma declaração óbvia - o custo dos alimentos acumula-se ao longo do curso de uma férias. Mesmo que você não seja o tipo de pessoa que gosta de se encher com um grande e despreocupado almoço de manhã, encontrar opções acessíveis, mas memoráveis, para todas as refeições durante uma longa viagem pode ser desafiador.

Eu costumava me contentar com sanduíches de deli e lanches trazidos de casa, mas agora tenho uma arma secreta para almoços rápidos, mas satisfatórios, durante as viagens rodoviárias: minha fogueira de campanha Coleman.

Apesar de minha reputação de hippie outdoorsy entre amigos, isso foi a primeira vez que mergulhei na cozinha ao ar livre com uma fogueira de gás de propano antes de alugar uma van de camper para uma viagem transcontinental com meu marido na Rota 66. Mas uma vez que estávamos na estrada e descobrimos a logística de nossa rotina de viagem, percebi a versatilidade e a utilidade da fogueira, além da diversão real de ser capaz de cozinhar o almoço à vontade durante as aventuras do dia.

Com uma fogueira de dois queimadores e pia embutida no fundo de nossa van de camper, poderíamos parar e cozinhar o almoço praticamente em qualquer lugar durante as aventuras de cada dia. Eu fiz pesto e rotini no estacionamento da casa histórica de Ulysses S. Grant em Missouri, virou sanduíches de queijo em um parque local em Baxter Springs, Kansas, e sorvi cheesy zoodles fora do Painted Desert Inn em Petrified Forest National Park.

Agora sou um cozinheiro ao ar livre experiente e investi em um setup de cozinha mini completo para minhas excursões de acampamento. Eu me apaixonei tanto pela cozinha de fogueira ao ar livre que agora trago-a com a gente na maioria de nossas viagens de verão - seja que estejamos acampando ou não. Juntamente com meu skilnet de ferro fundido de 10 polegadas confiável, a fogueira me dá uma maneira de poupar algum dinheiro e comer bem durante o dia para que possamos ter uma grande ceia à noite.

Eu posso receber algumas olhadas estranhas em estacionamentos de hotéis e áreas de varandas, mas vale a pena pela conveniência e a tranquilidade de uma boa refeição enquanto mantenho-me em meu orçamento apertado. Hey, já tenho todos esses itens - por que não usá-los?

Além da fogueira e do skilnet, também trago algumas ferramentas básicas para cozinhar e limpar. Eu mantenho um caixa empacotado com o seguinte:

- Tongs de metal
 - Espátula de peixe (espátula escorrev
-
