Developed by Rockstar North and published by Rockstar Games, GTA Games are action-adventure games known for their open-world and narrative-driven gameplay, often revolving around criminal activity. The franchise offers players an arena where unlimited exploits and lawlessness reign, and is known for pushing the boundaries of video game storytelling and design. The environments in these games offer satirical commentary that is often humorously reminiscent of American pop culture. In addition, the games feature extensive vehicular gameplay and a wide variety of missions, further enhancing their appeal to gamers worldwide. What types of GTA games are there? The GTA franchise spans multiple platforms, with each version having unique characteristics and features. Notable versions of the series include: GTA: Vice City: Set in the 80s, the game is influenced by the culture and style of the decade. GTA: San Andreas: Expands the gameplay by adding modifications, customization and an expanded storyline. GTA IV: Introduces improved mechanics and a darker, more mature story. GTA V: Featuring three distinct protagonists with intertwining storylines. It adds new dimensions of gameplay with the ability to switch between characters. These versions demonstrate the

franchise's ability to continually reinvent itself and maintain relevance in an ever-evolving gaming space.
