Manchester United have been approached by intermediaries about signing Neymar from Paris Saint-Germain this summer.

Erik ten Hag's side are one of a number of clubs who have been contacted about Neymar's potential availability.

While a deal might make sense

from a commercial point of view, he is not currently a United target.

In any case, it

is difficult to see how United would be able to sign him and pay his wages and how he would adapt to playing in the Premier League.

Sky Sports News reported earlier this

month that PSG would be willing to listen to offers for Neymar this summer.

Please use

Chrome browser for a more accessible video player French football expert Julien Laurens provides the latest update from Paris and all of the 'drama' going on with PSG forwards Lionel Messi and Neymar

The news came after PSG condemned the actions of supporters who

are understood to have gathered outside the home of Neymar and chanted for him to leave the club.

Fans were filmed chanting for the board to resign outside club headquarters

before further clips showed a group of supporters visiting the home of Neymar calling for him to move on.

Paris Saint-Germain are also set to see Lionel Messi leave at the

end of the season, with the Ligue 1 club not planning to offer the forward a new contract.

Image: Neymar could join Lionel Messi (left) in leaving PSG this year

Sky

Sports News chief reporter Kaveh Solhekol speaking earlier this month:

Neymar is facing

an uncertain future at PSG. It's the end of the 'bling-bling' culture and they want to move in a different direction so they would be willing to listen to offers for

Neymar.

In the past they've been willing to listen to offers for him and things have not been going that great for Neymar.

There were these protests outside of his house by PSG supporters who were chanting, 'Get out of our club'. There was a very strong statement from PSG condemning that.

There's a lot of noise around Neymar and I think PSG are thinking they don't need this noise anymore.

Please use Chrome browser for a more accessible video player Sky Sports News' Kaveh Solhekol examines the possible destinations for Lionel Messi after he confirmed he would be leaving Paris Saint-Germain in the summer

I think him leaving would fit in with their new strategy.

PSG don't want to be the Harlem Globetrotters or the Dream Team, they want to be the club version of that France side at the World Cup with young, humble and hungry French players.

Hypothetically the Qataris could buy Manchester United and then they move Neymar from PSG to Man Utd to become the face of the new ownership of the club.

An issue, though, would be financial fair play. I don't think Man Utd have the finances, even with the new Qatari owners, to be able to afford to pay somebody an enormous wage and I also don't think he's a real Erik ten Hag kind of player.

But if Neymar is going to leave PSG then Premier League clubs have to come into the mix.

### Israeli Attacks in the Valle de la Beqaa: Una Expansión de la Guerra al Este de Líbano

Recientemente, en la mañana cerca del pueblo de Nabi Chit en la región este de Beqaa de Líbano, una docena de hombres estaban limpiando escombros. Jets israelíes habían retumbado a través del valle una semana antes, el segundo ataque en tres días. Las explosiones iluminaron

el cielo nocturno de rojo, amarillo y naranja, y llenaron el aire con el olor a polvo y pólvora. "Atacaron Nabi Chit porque nuestro pueblo es la madre de la resistencia", dijo Mohammed al-Moussawi, un partidario entusiasta de Hezbollah, el grupo militante chiita, partido político y movimiento social conocido aquí como la resistencia. Él estaba en el porche de su casa en el primer piso frente a un montón de escombros y un toldo de metal retorcido. Las ventanas estaban destrozadas, la fachada salpicada de metralla.

Un vecino fue asesinado en los ataques. El nieto de Moussawi, Hussain, resultó herido entre los 20 lesionados y fue llevado al hospital después de que los cristales rotos le cortaran la cara.

"Tiene cuatro años y ya entiende que Israel es el enemigo que viola la tierra árabe. ¿Qué crees que será cuando crezca?" Moussawi dijo.

Las Fuerzas de Defensa de Israel (IDF) se negaron a comentar sobre las víctimas, pero en un comunicado anterior dijeron que los cazas habían apuntado a un depósito de armas y un sistema de defensa aérea la noche del 21 de agosto, causando explosiones secundarias. Hezbollah, las autoridades locales y los testigos insistieron en que hubo un impacto directo en hogares civiles.

<b>Casualidades</b>	<b>Posición</b>	<b>Versión</b>
1 muerto y 20 heridos	Nabi Chit	Hezbollah y testigos
Sin comentarios	-	IDF
Sin daño	-	Hezbollah y autoridades locales

Mientras que los pueblos del sur de Líbano han soportado el mayor peso del fuego transfronterizo en una guerra de desgaste limitada, los recientes ataques en el Beqaa podrían señalar una expansión de la guerra al este del país.

El valle es conocido por su suelo fértil, viñedos y templos romanos, que hasta hace poco atraían a turistas internacionales.

Mientras que las líneas de falla del Beqaa corren el riesgo de romperse, otra parte de la historia de la región está tomando protagonismo.

El Beqaa, conocido como el "reservorio de la resistencia", es el bastión de apoyo de Hezbollah y un depósito de armas a lo largo de un corredor estratégico que conecta a Hezbollah con aliados en Siria, Iraq e Irán.
